BACKGROUND

Sharp Grossmont Hospital serves the east county area of San Diego. It is the largest not-for-profit, full-service acute care hospital in the region with 542 beds. The hospital has outstanding programs in heart care, orthopedics, rehabilitation, robotic surgery, mental health, stroke care and women's health. In addition, the hospital's Emergency and Critical Care Center is among the most technologically advanced in the nation. It is home to one of the busiest emergency departments in California, serving 105,000 patients annually, with 24/7 ED pharmacist coverage. The Burr Heart and Vascular Center, a Comprehensive Stroke Center, offers more advanced cardio and neurovascular procedures. Sharp Grossmont is a nationally recognized MAGNET®-designated hospital for nursing practices.

Tony Vo, PharmD
Tony.vo@sharp.com

PURPOSE

The PGY1 pharmacy residency programs build on Doctor of Pharmacy (PharmD) education and outcomes to contribute to the development of clinical pharmacists responsible for medication-related care of patients with a wide range of conditions, eligible for board certification, and eligible for postgraduate year two (PGY2) pharmacy residency training.

GOALS & OBJECTIVES

- Gain experience in providing patient care to a diverse patient population
- Provide medication and practice-related education to patients, caregivers, students, healthcare professionals, and the public
- Build leadership and time management skills through project management
- Identify and implement pharmacy practice initiatives
- Participate in the management of medical emergencies
- Contribute to formulary decisions and process improvement initiatives
- Effectively manage transitions of care through all aspects of the patients hospital stay and discharge
- Build teaching skills through completion of a teaching certificate

"Helping you to enhance your abilities and grow your passion"
