THE PROGRAM PRACTICE SITE
Sharp Grossmont Hospital is the largest and most comprehensive health care facility in East San Diego County, with a service area covering 750 square miles. Sharp Grossmont Hospital offers programs in cardiac care, oncology, women's services, pediatric services, rehabilitation, orthopedics, mental health and hospice. Sharp Grossmont also offers extensive outpatient services and prevention programs such as sleep disorder care, wound care, senior resource center, diabetes and hyperbaric medicine. Residents are hired and the program is conducted through Sharp Grossmont Hospital.

PROGRAM GOALS
The Sharp Grossmont Hospital PGY1 Pharmacy Residency has an accreditation candidate status with ASHP. Sharp Grossmont Hospital serves as the home base of the residency program but residents may also complete their learning experiences at other Sharp HealthCare hospitals. Through this approach, the resident obtains experience in multiple diverse patient care settings while applying a transition of care (TOC) emphasis. Unique and distinctive training may include: Emergency Medicine, TOC, Critical Care, NICU, Infectious Disease, Oncology, Nutritional and Metabolic Support, Safe Medication Practice, Psychiatry, and Specialty Pharmacy.

Residents work under the mentorship of pharmacy resident preceptors. This program enables the resident to improve communication and leadership skills with health care professionals, pharmacy students, and patients. Residents participate in the development of their own residency plan, which reflects their interests and builds upon their previous experiences. Upon successful completion of our program, the resident will be equipped with the knowledge to become an asset to the pharmacy community.

QUALIFICATIONS & APPLICATION REQUIREMENTS
Applicants must possess a doctor of pharmacy degree (Pharm.D.) from an ACPE accredited program, must be self-motivated, and must possess excellent interpersonal and communication skills. Completion of the national licensure exam (NAPLEX) and the California licensure exam (CPJE) is highly recommended before entering into the residency, and must be achieved by no later than November 1st of the residency year.

All application material must be COMPLETED and SUBMITTED in PhORCAS (NMS Code 275813) by the December 29, 2019 deadline to be accepted. For questions, please contact Electa Stern, Pharm.D, Residency Program Director (electa.stern@sharp.com) or one of the current pharmacy residents.

Complete applications should include the following, as per PhORCAS, as well as meet any additional requirements by PhORCAS:
- School of Pharmacy Transcript
- Current Curriculum Vitae
- Letter of Interest
- 3 Reference Writers
For Additional Information, please review and download the following materials:

### LEARNING EXPERIENCES

Residency objectives and experiences are individually designed so that residents develop confidence and competence in acute patient care, drug information, disease state management and practice management. Residents are encouraged to participate in the development of their own residency plan that reflects personal interests and builds upon previous experiences.

**LONGITUDINAL:** Western States research project, clinical outcomes research, development/implementation of clinical services, medication use evaluations (MUE), drug consults, staffing the Transitions of Care Service at Sharp Grossmont Hospital, staffing inpatient and precepting/teaching opportunities.

*All core learning experiences may also be taken as electives.

### ADDITIONAL ACTIVITIES

- **Committees**
  Residents actively participate in the Pharmacy and Therapeutics (P&T), Safe Medication Practice, and other supervisory and multidisciplinary committees as appropriate.

- **Compensation**
  The annual base stipend will be an estimate of $45,000 plus benefits. All staffing will be tailored to the needs of the residency program, the pharmacy department, and coordinated with the pharmacy managers. Financial support is provided for approved educational opportunities, conferences, and travel as pertaining to the needs of the residency program.

- **Educational Opportunities**
  Residents will be provided with ongoing educational opportunities through attendance and participation of approved professional meetings and conferences (CSHP, ASHP Midyear, Western States Conference), the attainment of certifications (BLS, ACLS), and additional ongoing
learning modules developed by Sharp HealthCare. Sharp also provides Six Sigma White and Yellow Belt certifications.

- **Leadership**
  Each resident will act as Chief Resident for 1 quarter (3 month term) that involves coordinating and scheduling tasks to the residency team, maintaining correspondence with pharmacy administration and preceptors, and performing other duties as necessary for the development of the residency program.

- **Presentations**
  The diversity of Sharp HealthCare provides numerous opportunities for residents to present throughout the year to medical and nursing staff, pharmacy students and staff, and among fellow peer residents in addition to the required rotational and formal seminar presentations.

- **Projects**
  Residents are each expected to collaborate with residency preceptors and coordinators to select an area of interest and complete an in-depth, systematic study suitable for publication and presentation. Additional projects are completed as requested by the resident, preceptors, the pharmacy department, and as deemed beneficial to Sharp HealthCare.

- **Teaching**
  Teaching experiences are integrated with patient care activities and through the provision of educational support to pharmacy students and staff, nursing and medical staff members, and others. Residents will work closely with pharmacists in the preceptorship of pharmacy students on clinical learning experiences from numerous pharmacy schools, including Touro University College of Pharmacy, Western University of Health Sciences, and Keck Graduate Institute School of Pharmacy. Through the San Diego Pharmacy Residency Leadership Program (SDPRL), residents will obtain teaching certification upon completion and participate in activities including preceptor development and various workshops.
