

A photograph of a woman with dark hair and blue eyes, smiling warmly at the camera. She is wearing a black sleeveless top and a thin gold chain necklace. She is holding a baby in her lap. The baby has light skin and blue eyes, wearing a blue denim jacket over a white shirt and light blue shorts. They are sitting on the grass next to a tree trunk. The background is a soft-focus green lawn.

- > Coverage under the plan is not a guarantee of employment, and Sharp HealthCare reserves the sole right to terminate the plan at any time, either in its entirety or with respect to any covered class or classes of employees.
- > All changes will be promptly communicated to you. If the plan is discontinued, benefits will be paid for covered expenses prior to that date.
- > Many of the benefits described in this book fall under the jurisdiction of the Employee Retirement Income Securities Act of 1974, as amended (ERISA). Your legal rights under ERISA are described at the end of this book, along with legal and administrative information (such as plan numbers and plan administrators).

## Eligible Dependents

The following children are eligible to be enrolled under **SharpChoice**:

**Child** – Your biological child, stepchild, legally adopted child or another child for whom you are currently the legal guardian or have physical legal custody of, pursuant to a court order that is currently in force, under the age of 26.

**Disabled Child Age 26 or Older** – Your dependent child who is mentally or physically incapable of self support, is enrolled prior to his or her 26th birthday, and is determined to be totally disabled before his or her 26th birthday.

A child who has been legally placed for adoption with you is considered a legally adopted child on the date of placement. For purposes of this provision, placement for adoption occurs on the date you or you and your spouse/ domestic partner have physical legal custody of the child or has assumed responsibility for the child's care and well-being for an indefinite period of time, and shall be determined in the sole discretion of Sharp HealthCare based on objective evidence supplied by you.

A covered child who is both incapable of self-sustaining employment by reason of a physically or mentally disabling injury, illness, or condition and chiefly dependent upon the subscriber for support and maintenance (totally disabled) is eligible to continue to be enrolled under the plan provided the child is otherwise eligible for coverage under the plan and you continue to be covered under the plan. Proof of such total disability must be submitted to the plan prior to the child's 26th birthday.

It is your responsibility to notify Sharp HealthCare if a dependent ceases to meet the eligibility requirements, following the guidelines in the "IRS Qualified Status Changes" section on page 7 and the "Continuation of Coverage (COBRA)" section beginning on page 24.

**Dependent Verification Requirement** – Sharp has a dependent verification process to ensure that all enrolled dependents receiving benefit coverage are eligible. The verification process helps ensure that the company does not incur increased health care expenses that could negatively impact the future cost of health care benefits for employees and their families. If you are enrolling as a new hire, have experienced a status change, or are participating in open enrollment, and you are adding your legal spouse/certified domestic partner, and/or eligible dependent children to the medical/vision and/or dental plan(s), you will be required to provide verification documents at the time you enroll in benefits. Enrollment for added dependents will only be approved once appropriate documentation is received and verified by Sharp. Coverage for enrolled dependents not meeting the eligibility definition or dependents remaining unverified will not be activated.

## *In-Area Coverage for Non-Resident Employees and Eligible Children*

Employees who live or work outside Sharp Health Plan's service area (San Diego and southern Riverside counties) can be enrolled in medical coverage. Eligible children can also be enrolled if they are not living in Sharp Health Plan's service area. **Coverage is limited to services available within the service area, and emergency and urgent care services outside the service area. It is important to note that your dependent must travel in-area to access non-emergent health care services.**

## Enrollment Requirements

When you are first eligible for the health plan, you will make elections regarding your coverage. The elections you make must remain in effect until the end of the plan year, unless you have a qualified family status change. Even then, you may only change your benefit elections to the extent such change is consistent with, and on account of, your change in family status. See the "IRS Qualified Status Changes" on page 7.

Each year, during the annual open enrollment period, you will be given the opportunity to change your coverage elections. Any changes will be effective beginning the next calendar plan year.

## *Coverage Effective Date for You*

As an eligible employee, your medical/vision elections become effective on the first day of the month following or coinciding with 30 days of continuous employment provided you complete the enrollment process and remit the first premium to Sharp Health Plan. If you are not in an "active at work"<sup>1</sup> status on that day due to an illness, injury or disability, your medical/vision coverage will be effective on that day. If you are not in an "active at work" status for reasons other than illness, injury or disability, then your elections will not be effective until the day you return to active work.

## *Coverage Effective Date for Your Eligible Children*

**Coverage for your enrolled eligible child(ren) under age 26 is subject to the following requirements:**

- > The effective date is the same as your own coverage (unless enrolled later, due to a qualified status change or open enrollment election or other special enrollment period discussed below).
- > Coverage for a newborn child, a newly adopted child or a child newly placed with you or your spouse/domestic partner for adoption is effective retroactive to the date of birth, adoption or placement provided you properly apply for coverage for the child within 31 days from the date of birth, adoption or placement. At this time, you may also enroll yourself and/or other children if he or she is eligible but not enrolled and coverage will be effective as of the date of birth, adoption or placement. Dependents previously eligible may be added at this time; however, their coverage will be effective the first day of the following month.
- > You cannot enroll dependents in a plan in which you have not enrolled yourself.

## *Your Enrollment Rights*

If you decline benefit coverage for yourself or your eligible child(ren) under age 26 due to other health insurance coverage, you may in the future be able to enroll in the Per Diem Employee Health Plan, provided you request enrollment within 31 days after other coverage ends. Also, if you have a child as a result of marriage/domestic partner certification, birth, adoption or placement for adoption, you may be able to enroll yourself and your child provided that you request enrollment within 31 days after the marriage, birth, adoption or placement for adoption. Proper documentation will be required.

<sup>1</sup> For purposes of eligibility for the medical/vision plans, you are considered to be actively at work during a Family Medical Leave (FMLA).

## Loss of Other Health Care Coverage

You may enroll yourself and/or any of your eligible children for health plan coverage if all of the following requirements are met:

- You or your child were covered under another health plan as an individual or dependent, including coverage under COBRA;
- You or your child lost coverage under the other health plan or COBRA continuation coverage for you or your child was exhausted (other than due to ineligibility resulting from cause or failure to timely pay any required contributions);
- You properly enroll in coverage under the plan within 31 days from the date on which such other health plan coverage is lost (60 days for CHIP);
- You provide documentation to Sharp HealthCare of the loss of other health plan coverage within 31 days from the date on which such coverage is lost (60 days for CHIP).

**Coverage will be effective on the first day of the month following the date the other health care coverage was lost, provided Sharp HealthCare has received a completed enrollment form within 31 days of the date coverage was lost (60 days for CHIP).**

## Enrollment Deadline

To enroll when you are first eligible, you must enroll yourself and if you choose, your eligible children within 31 days of the initial eligibility date. To enroll during the plan year pursuant to one of the qualified status changes discussed below, you must enroll yourself and any children (as applicable) within 31 days of the date you acquire a new child, within 31 days of the date other health plan coverage was lost, or within 31 days of a qualified status change.

## Open Enrollment

During the annual open enrollment period, you have the opportunity to change your benefit elections for the upcoming plan year.

## Rehire/Reinstatement

If you recently have been rehired as a Sharp HealthCare per diem employee, it is important that you complete the process to enroll or re-enroll for health coverage. If you have been rehired within 1 year of your termination date,

you are eligible to enroll in health coverage upon rehire.

**Please note that your former benefit elections will not reinstate automatically.** If you are rehired within 30 days of your termination date, your previous benefit elections are reinstated.

You must complete your enrollment indicating the medical plan you wish to elect. This election must occur within 31 days of your rehire date. Elections will become effective the first day of the month following or coinciding with your rehire date or the date you complete your enrollment and remit the first premium payment to Sharp Health Plan, whichever occurs first.

## IRS Qualified Status Changes

You are permitted to make changes in your *SharpChoice* benefit elections during the year if you have an IRS “qualified status change,” and notify the Human Resources Department within 31 days of the change (60 days if eligible for the Children’s Health Insurance Program).

Examples of IRS qualified status changes are:

- Marriage, divorce, legal separation or annulment<sup>1</sup>;
- Birth, adoption, placement for adoption, change in physical legal custody or other form of legal guardianship of a dependent child;
- Death of your spouse or dependents;
- Change in employment status by you, your spouse or dependent which affects your/their eligibility for benefits coverage;
- Change in status affecting your eligibility for benefits (i.e., per diem to full-time/part-time);

<sup>1</sup> IRS regulations do not recognize the declaration or dissolution of a domestic partnership as a qualified status change that would allow a change to a pretax benefit deduction.

- > Involuntary loss of other benefit coverage for you, your spouse or dependents due to an event that is beyond your control;
- > Commencement or return from a leave of absence by you, your spouse or dependents;
- > Significant change in benefit coverage for you, your spouse or your dependents such as a significant reduction in benefits coverage, an increase or decrease in premium, or addition or deletion of a benefit option;
- > Change in benefit elections for your spouse or dependents during an open enrollment period under another employer's benefit plan;
- > Eligibility for and enrollment in MediCare or MediCal by you, your spouse or dependents.
- > Eligibility or ineligibility and enrollment in the state Children's Health Insurance Program (CHIP). Sixty-day special enrollment/drop period applies.

## Termination of Coverage

Except as required under COBRA, ERISA, the IRS Code or other applicable law, health care coverage for you and/or your children ends on the first of the following dates to occur:

- > The last day of the month in which your employment with Sharp HealthCare terminates;
- > The last day of the month in which you and/or your children (as applicable) change to an ineligible status;
- > The last day of the month for which you have not paid the required premiums;
- > The date of your death;
- > The last day of the plan year following an open enrollment period during which you waive coverage;
- > The date the **SharpChoice** health plan is amended to terminate the eligibility of any class of eligible employees of which you are a member; or
- > The day the **SharpChoice** health plan ends.

## Family, Medical, and Other Qualified Leaves of Absence

Under the Family and Medical Leave Act (FMLA) and the California Family Rights Act (CFRA) you may be entitled to up to 12 weeks of unpaid leave in any 12-month period. Under the California Pregnancy Disability Leave (PDL) law, which is part of the California Fair Employment and Housing Act (FEHA), you may be entitled to up to 4 months of leave in a 12-month period for disability due to pregnancy, childbirth or related medical conditions. Please refer to Sharp HealthCare's in force LOA Policy. Leave may be available for the birth and care of a newborn child, or placement of a child for adoption or foster care, a serious health condition of a family member (child, spouse or parent), a personal serious illness, or leave related to military service.

You have the option of continuing your health coverage during an approved leave on the same terms and conditions in effect immediately prior to you taking such leave.

**Remember, you are responsible for timely payment of your monthly premiums directly to Sharp Health Plan. If you fail to remit your premiums in a timely manner, your coverage will be cancelled retroactive to the end of the month for which your last payment was made.**

## QUALIFIED STATUS CHANGES

You may be able to change your health coverage provided the changes you want to make are consistent with the commencement or termination of your approved leave of absence. You will also be able to change your elections as a result of a qualified status change that occurs during an approved leave of absence (such as the birth of a child or marriage).

## OPEN ENROLLMENT

If you are eligible for benefit coverage and are on an approved leave of absence, you may make changes to your **SharpChoice** medical/vision benefit elections during the annual open enrollment period. Your changes to medical/vision insurance will be effective with the new calendar plan year following the enrollment period. Benefits continuation described above may apply toward the duration requirements under the Consolidated Omnibus Reconciliation Act (COBRA) as described in the “COBRA” section beginning on page 24.

# Group HEALTH BENEFITS

Sharp Health Plan offers you health benefits through a managed care program, or Health Maintenance Organization (HMO), which helps protect you and your eligible children from high medical costs and the financial burden that could accompany a serious illness or injury.

Managed care is the most effective form of health care, addressing escalating costs while meeting your needs for quality medical care. In a managed care environment, it is essential that you be informed and thoroughly understand how your plan works. The best thing that you can do for yourself is to manage your care – choose and use your benefits wisely. Take the time to be informed about all of your options and how the options you choose will work to your advantage.

You may choose coverage between two Health Maintenance Organization (HMO) options provided through Sharp Health Plan: Basic HMO or Premium HMO option.

## Highlights of Basic and Premium HMO Options

Both HMO options use the same provider networks and operate in the same way. The principal provisions of each plan option are highlighted in the chart on the following page.

When comparing your HMO coverage options, keep in mind that there are some differences in benefits and costs. You should carefully consider which HMO plan best suits your needs and the needs of your family when reviewing your two options.

This section of your booklet is only an overview of the benefits available through the HMO options offered by Sharp Health Plan. **You should consult your Sharp Health Plan Member Handbook for specific information and details of covered services and supplies as well as any limitations and exclusions that apply.**

Visit Sharp Health Plan at [www.SharpHealthPlan.com](http://www.SharpHealthPlan.com) or contact the Customer Care Center at 1-(800) 359-2002 to access the Sharp Health Plan Member Handbook.

## Preventive Health Services

The Patient Protection and Affordable Care Act (PPACA) requires group health plans to provide benefits for certain preventive health services without imposing any co-payments, co-insurance, deductibles, or other cost-sharing requirements (often referred to as “first-dollar coverage”).

Preventive health services include:

- Evidence-based items or services with an A or B rating recommended by the U.S. Preventive Services Task Force
- Immunizations for routine use in children, adolescents, or adults recommended by the Advisory Committee on Immunizations Practices of the Centers for Disease Control and Prevention
- Evidence-informed preventive care and screenings provided for in the comprehensive guidelines supported by the U.S. Department of Health and Human Services’ Health Resources and Services Administration (HRSA) for infants, children, and adolescents
- Other evidence-informed preventive care and screenings provided for in comprehensive guidelines supported by HRSA for women, as described below.

## Preventive Care Coverage for Women

The U.S. Department of Health and Human Services' Health Resources and Services Administration (HRSA) issued guidelines pertaining to preventive care and screenings for women. The guidelines include coverage for a

broad range of items and services, including contraceptive services, breastfeeding support and supplies, and screening and counseling for interpersonal and domestic violence. First-dollar coverage (no co-pays, co-insurance, deductibles, or other cost-sharing requirements) is provided for the items and services in the chart below:

Type of Health Preventive Service	Description	Frequency
Well-woman visits	Well-woman preventive care visit annually for adult women to obtain the recommended preventive services that are age and developmentally appropriate, including preconception and prenatal care.	Annual, although several visits may be needed to obtain all necessary recommended preventive services, depending on a woman's health status, health needs, and other risk factors.
Screening for gestational diabetes	Screening for gestational diabetes.	In pregnant women between 24 and 28 weeks of gestation and at the first prenatal visit for pregnant women identified to be at high risk for diabetes.
Human papilloma virus testing	High-risk human papilloma virus DNA testing in women with normal cytology results.	Screening should begin at 30 years of age and should occur no more frequently than every 3 years.
Counseling for sexually transmitted infections	Counseling on sexually transmitted infections for all sexually active women.	Annual.
Counseling and screening for human immune-deficiency virus	Counseling and screening for human immune-deficiency virus infection for all sexually active women.	Annual.
Contraceptive methods and counseling <sup>1</sup>	All Food and Drug Administration approved contraceptive methods, sterilization procedures, and patient education and counseling for all women with reproductive capacity.	As prescribed.
Breastfeeding support, supplies, and counseling	Comprehensive lactation support and counseling, by a trained provider during pregnancy and/or in the postpartum period, and costs for renting breastfeeding equipment.	In conjunction with each birth.
Screening and counseling for interpersonal and domestic violence	Screening and counseling for interpersonal and domestic violence.	Annual.

<sup>1</sup> Consistent with the Public Health Service Act, Section 2713 and its implementing regulations, Sharp Health Plan may use reasonable medical management techniques to control costs and promote efficient delivery of care. For example, plans may cover a generic drug without cost sharing and impose cost sharing for equivalent brand name drugs.

## What is an HMO?

An HMO is a health maintenance organization which combines comprehensive medical services and preventive care in one managed care plan. You and your family can obtain a wide range of coverage and medical consultations at little out-of-pocket cost. You pay no deductible and only nominal copayments for most services. Most medical services are then covered at 100%. This includes all eligible inpatient services, once the per-hospitalization copayment has been met

When you enroll in either HMO plan option, you and your eligible children will choose a multi-specialty medical group from Sharp Health Plan's "Choice Provider Network". This is your Plan Medical Group (PMG). You should choose one that is convenient to your home or office. The primary care specialties such as family medicine, internal medicine, and pediatrics are well represented in each PMG. From within the PMG, you will then choose a Primary Care Physician (PCP) who will direct your medical care and refer you to services and specialists when needed. Female subscribers have direct access to OB/GYN care without a referral from their PCP. In-network emergency services are also provided without need for prior authorization.

If you select a Sharp Rees-Stealy physician as your PCP, you should know that the majority of your hospital services will be provided at Sharp Memorial Hospital or Sharp Mary Birch Hospital for Women and outpatient services are generally provided at Sharp Rees-Stealy Medical Center facilities.

To obtain a network provider directory, you may call Sharp Health Plan at (858) 499-8300 or 1-(800) 359-2002, or visit Sharp Health Plan's website at [www.sharphealthplan.com](http://www.sharphealthplan.com).

## The HMO Network

Sharp Health Plan is a San Diego-based health care service plan licensed by the State of California. The plan's network of providers are located in San Diego and Southern Riverside counties.

The Sharp Health Plan "Choice" provider network consists of quality medical groups, physicians and facilities contracted with Sharp Health Plan to provide managed care medical services. Sharp Health Plan uses a stringent credentialing process to evaluate physicians' qualifications. Each candidate undergoes a review conducted by a physician advisory or credentials committee. This ensures that each participating physician is qualified by training and experience to deliver care that meets the medical standards of the community.

It is important to note that in order to obtain health care services covered by the plan, you must access providers in the network (except in cases of urgent or emergency situations). If you have children residing out of the service area, the dependent must travel into the service area to access routine, non-emergent services.

## How an HMO Works

➤ You choose a PMG and a PCP from the provider directory for each of your covered children. The physician may be a pediatrician, an internist, a general practitioner or a family practitioner. Women have direct and unlimited access to OB/GYN physicians in their PCP's PMG for obstetrical and gynecological services.

➤ Your PCP is responsible for coordinating your health care and referring you to an appropriate specialist when you need one.

**You may change your PCP/PMG as often as once a month by contacting the Sharp Health Plan Customer Care Department at (858) 499-8300 or 1-(800) 359-2002.**

➤ If you need to see a specialist and one is not available within the network, your PCP will refer you to one outside the network.

➤ If you use the services of a physician or hospital not in the network, those costs are not covered by the plan and you will be responsible for payment of services (other than emergency and urgent care services). For all care other than emergency and urgent care services, your PCP must be consulted in order for you to receive benefits.

➤ Each covered child will receive an identification card which should be presented every time medical services are sought.

## Obtain Required Authorization

Except for PCP services, Emergency Services, and obstetric and gynecologic services, you are responsible for obtaining valid Authorization before you receive Covered Benefits.

To obtain a valid Authorization:

1. Prior to receiving care, contact your PCP or other approved Plan Provider to discuss your treatment plan.
2. Request prior Authorization for the Covered Benefits that have been ordered by your physician. Your PCP or other Plan Provider is responsible for requesting Authorization from Sharp Health Plan or your Plan Medical Group.
3. If Authorization is approved, obtain the expiration date for the Authorization. You must access care before the expiration date with the Plan Provider identified in the approved Authorization.

You are responsible to pay for all care that is rendered without the necessary Authorization(s).

A decision will be made on the Authorization request within five business days. A letter will be sent to you within two business days of the decision.

If waiting five days would seriously jeopardize your life or health or your ability to regain maximum function or, in your doctor's opinion, it would subject you to severe pain that cannot be adequately managed without the care or treatment that is being requested, you will receive a decision no later than 72 hours after receipt of the Authorization request.

If Sharp Health Plan does not receive enough information to make a decision regarding the Authorization request, the Plan will send you a letter within five days to let you know what additional information is needed. Sharp Health Plan will give you or your provider at least 45 days to provide the additional information. (For urgent Authorization requests, Sharp Health Plan will notify you and your provider by phone within 24 hours and give you or your provider at least 48 hours to provide the additional information.)

If you receive authorization for an ongoing course of treatment, Sharp Health Plan will not reduce or stop the previously authorized treatment before providing you with an opportunity to appeal the decision to reduce or stop the treatment.

## *Emergency Services and Care*

Emergency Services are not a substitute for seeing your PCP. Rather, they are intended to provide emergency needed care in a timely manner when you require these services. Emergency Services means those Covered Benefits, including Emergency Services and Care, provided inside or outside the Service Area, which are medically required on an immediate basis for treatment of an Emergency Medical Condition. Sharp Health Plan covers twenty-four hour emergency care. An Emergency Medical Condition is a medical condition, manifesting itself by acute symptoms of sufficient severity, including severe pain, such that a reasonable lay person could reasonably expect the absence of immediate attention to result in:

1. Placing the patient's health in serious jeopardy;
2. Serious impairment of bodily functions; or
3. Serious dysfunction of any bodily organ or part.

Emergency Services and Care means:

1. Medical screening, examination, and evaluation by a physician, or, to the extent permitted by applicable law, by other appropriate personnel under the supervision of a physician, to determine if an Emergency Medical Condition or Active Labor exists and, if it does, the care, treatment, and surgery by a physician necessary to relieve or eliminate the Emergency Medical Condition, within the capability of the facility; and
2. An additional screening, examination, and evaluation by a physician, or other personnel to the extent permitted by applicable law and within the scope of their licensure and clinical privileges, to determine if a psychiatric Emergency Medical Condition exists, and the care and treatment necessary to relieve or eliminate the psychiatric Emergency Medical Condition within the capability of the facility.

## **WHAT TO DO WHEN YOU REQUIRE EMERGENCY SERVICES**

- If you have an Emergency Medical Condition, call "911" or go to the nearest hospital emergency room. It is not necessary to contact your PCP

before calling “911” or going to a hospital if you believe you have an Emergency Medical Condition. If you are unsure whether your condition requires Emergency Services, call your PCP (even after normal business hours). Your PCP can help decide the best way to get treatment and can arrange for prompt emergency room care. However, do not delay getting care if your PCP is not immediately available. Members are encouraged to use the “911” emergency response system appropriately when they have an Emergency Medical Condition that requires an emergency response.

- If you go to an emergency room and you do not have an Emergency Medical Condition, you may be responsible for payment.
- If you are hospitalized in an emergency, please notify your PCP or Sharp Health Plan within 48 hours or at the earliest time reasonably possible. This will allow your Plan Physician to share your medical history with the hospital and help coordinate your care. If you are hospitalized outside of the Service Area, your Plan Physician and the Plan may arrange for your transfer to a Plan Hospital if your medical condition is sufficiently stable for you to be transferred.
- Ambulance services are covered (with copayments) when provided in conjunction with Hospital Admissions or Emergency Services.
- Some non-Plan providers may require that you pay for Emergency Services and seek reimbursement from the Plan. On these occasions, obtain a complete bill of all services rendered and a copy of the emergency medical report, and forward them to the Plan right away for reimbursement.
- If you need follow-up care after you receive Emergency Services, call your PCP to make an appointment or for a referral to a specialist. Do not go back to the hospital emergency room for follow-up care, unless you are experiencing an Emergency Medical Condition.

## *Urgent Care Services*

Urgent conditions are not emergencies, but may need prompt medical attention. Urgent Care Services are not a substitute for seeing your own PCP. They are intended to provide urgently needed care in a timely manner when your PCP has determined that you require these services or you are outside the Plan's Service Area and require Urgent Care Services.

## **WHAT TO DO WHEN YOU REQUIRE URGENT CARE SERVICES**

- Your PCP must Authorize Urgent Care Services if you are in the Plan's Service Areas. If you need Urgent Care Services and are in the Plan's Service Area, you must call your PCP first.
- Out-of-Area Urgent Care Services are considered Emergency Services and do not require an Authorization from your PCP. If you are outside Plan's Service Area and need Urgent Care Services, you should still call your PCP. Your PCP may want to see you when you return in order to follow up with your care.
- If, for any reason, you are unable to reach your PCP, please call Customer Care. You have access to a nurse evenings and weekends for immediate medical advice by calling our toll-free Customer Care telephone number at 1-800-359-2002.

## *Drug Formulary*

The Plan utilizes a drug formulary which is an updated list of medications for Plan physicians to use when prescribing medicines. A drug formulary enhances quality of care by encouraging the use of those prescription medications that are demonstrated to be safe and effective. Medications not listed on the formulary are covered but require a higher copay from you. The drug formulary is reviewed on a regular basis to consider newly developed, frequently requested, and/or provider recommended medicines.

Please refer to the Sharp Health Plan HMO Member Handbook for additional information.

## Pregnancy Benefits

Benefits for pregnancy are paid in the same way as benefits for other medical conditions.

### Newborns and Mothers' Health

If you receive benefits in connection with childbirth, you should know that group health plans and health insurance issuers generally may not, under federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under federal law, require that a provider obtain authorization for the plan or issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

### Breast Reconstructive Surgery

If you receive benefits in connection with a mastectomy and elect breast reconstructive surgery, coverage will be provided for (1) reconstruction of the breast on which the mastectomy was performed; (2) surgery and reconstruction of the other breast to produce a symmetrical appearance; and, (3) prosthesis and treatment of physical complications at all stages of the mastectomy, including lymphedemas. These benefits are subject to the Health Plan's regular

copayments and deductibles, as described in the Medical Benefits Section on page 12.

## Mental Health & Chemical Dependency Benefits

If you are a Sharp Health Plan member, you are eligible for mental health and chemical dependency benefits. Sharp Health Plan provides coverage for the diagnosis and medically-necessary treatment of mental illness and chemical dependency through Psychiatric Centers at San Diego (PCSD). You may contact PCSD directly to access care. Prior authorization from your Primary Care Physician is not required. For more information or to obtain a Schedule of Benefits, contact Sharp Health Plan at (858) 499-8300 or 1-(800) 359-2002. All calls are confidential. ## How to File a Claim for Medical Benefits

There are no claim forms or claims processing for in-network services referred by your PCP with the HMO Plan. All expenses and payments are made between the provider and Sharp Health Plan except copayments which you pay to the HMO provider at the time of service. Consult your Sharp Health Plan Member Handbook for the Plan's Claims Appeals and Procedures.

If you receive emergency services from an out-of-network provider, you may be required to pay for services at the time they are rendered. Call Sharp Health Plan Customer Care at 1-(800) 359-2002 for information on how to be reimbursed for covered services.

## Appeal Policy and Procedure

Sharp Health Plan has established an appeal process for receiving and resolving plan participant complaints or grievances with Sharp Health Plan and its providers. If you have a complaint regarding your eligibility, coverage, a denial of benefits or any other matter, you may call the Sharp Health Plan Customer Care Department at 1-(800) 359-2002.

You may request a re-evaluation of a specific decision or determination made by the Plan or any of its authorized subcontractors by calling the Plan Customer Care Department at (858) 499-8300 or toll-free at 1-(800) 359-2002 to request assistance with filing an Appeal.

## Other HMO Information

Consult your Sharp Health Plan Member Handbook for more specific information on the following topics:

- > Arbitration;
- > Coordination of Benefits (COB);
- > Recovery from third parties.

## Medical Loss Ratio and Premium Refunds

The Affordable Care Act requires health insurers in the large group market to spend at least 85% of the premiums they receive on health care services and activities to improve quality. This is referred to as the Medical Loss Ratio (MLR) rule. A health insurer's Medical Loss Ratio is determined separately for each state's large group markets in which the health insurer offers health coverage. If a health insurer does not meet the MLR, a refund of premiums must be provided to members.

Sharp Health Plan works actively to keep administrative costs below industry average and to allocate as much premium as possible to providing medical services and improving the quality of health care. Sharp Health Plan's MLR is calculated annually and communicated to members by letter in June of each calendar year. In the event the MLR rule is not met, individual members will receive a refund of all (or a portion of) premiums by August 1st following the calendar plan year in which the MLR was not met.

## Applying for Medicare While Employed

Medicare is a health insurance program for people age 65 or older and for people with certain disabilities. If you become eligible for Medicare while still employed, you will be able to remain covered under the Sharp Health Plan. However, Medicare requires that you apply for Medicare Part A (inpatient) when you become eligible. You should contact Medicare at 1-(800) 633-4227,

by accessing their website at [www.medicare.gov](http://www.medicare.gov), or by calling the Health Insurance Counseling Aid Advocacy Program at (858) 565-8772, and Sharp Health Plan at 1-(800) 359-2002, or by accessing their website at [www.sharpmedicareadvantage.com](http://www.sharpmedicareadvantage.com) for eligibility, enrollment and coordination of benefit information.

## Coordination of Benefits (COB)

If you are married and both you and your spouse are working, members of your family may be covered under more than one medical/vision plan. Other plans include:

- > Group plans covering you or your spouse, sponsored by another employer or professional group; or
- > A no-fault plan of automobile insurance (group or individual).

So that the additional coverage does not produce benefits in excess of the actual charges for medical/vision services or supplies, the **SharpChoice** Medical/Vision Plan, like most other plans, contains a Coordination of Benefits (COB) provision to prevent overpayment. Under the COB provision, one of your plans is deemed primary and the other is deemed secondary. According to standard industry

practices, the primary plan pays your expenses first and the secondary plan then pays any remaining balance for which you are eligible. In order to determine which plan is primary and which plan is secondary, rules have been set up which are followed throughout the insurance industry. They are typically used in the following order:

- > A plan that does not have a COB provision is automatically considered the primary plan and always pays first.
- > A plan that covers the patient as an employee is always the primary plan. Therefore, the **SharpChoice** Medical/Vision Plan is always primary for you, and your spouse's plan is always primary for your spouse.

If you have children who are covered under both plans, then your birthday and that of your spouse determines your covered children's primary plan. If your birthday comes first in the calendar year, the **SharpChoice** Medical, Vision and/or Dental Plan is deemed your children's primary plan. If your spouse's birthday comes first, your spouse's plan is your children's primary plan. If your birthdays are the same, your children's primary coverage is provided by the plan that covered the parent longer. If your spouse's plan does not use the birthday rule, your children's primary coverage is provided by the father's plan.

- > If you are separated or divorced, your children's primary medical plan is determined by the following rules:
  - a. A plan that covers a child as a dependent of a parent who by court decree must provide health coverage is primary.
  - b. When there is no court decree requiring a parent to provide health coverage to a dependent child, then the plan of the parent who has custody of the child is primary. (The plan of the custodial parent's spouse is secondary and the plan of the other natural parent is third.)
- > If each of the plans has provisions for layoff situations, the plan of the laid-off individual always pays last for that individual and all dependents.
- > If none of the above rules apply, the plan that has covered the patient for the longer period of time will usually be primary.

After the primary plan pays its benefits, the secondary plan may, in some cases, pay the balance of allowable expenses. To ensure you receive the benefits to which you are entitled under both plans, it is important to submit your claims

properly. For example, when you file a claim for yourself, be sure to file under your plan first. After you have received payment from your plan, then you can submit the claim to your spouse's plan. When you submit a claim to the secondary plan, be sure to include the Explanation of Benefits (EOB) from the primary plan as well as another copy of the bill.

Remember, if you coordinate your benefits correctly, you will receive payment faster and still have the advantage of coordinated coverage under both plans.

## Subrogation and Reimbursement

### *Work Injuries*

The plan does not provide covered benefits to you for work-related illnesses or injuries covered by workers' compensation. Sharp Health Plan will advance covered benefits at the time of need, but if you or your dependent receive covered benefits through the plan that are found to be covered by workers' compensation, the plan will pursue reimbursement through workers' compensation. You are responsible to notify Sharp Health Plan of any such occurrences and are required to cooperate to ensure that the Plan is reimbursed for such benefits.

### *Injuries Caused by Negligence, Intentional Act or Omission of Another Person*

If you or your dependent is injured in an event caused by a negligent or intentional act or omission of another person, Sharp Health Plan will advance covered benefits at the time of need subject to an automatic lien by agreement to reimburse the Plan from any recoveries or reimbursement you receive from the person who caused your injury. You are responsible to notify Sharp Health Plan of any such occurrences and are required to cooperate to ensure that Sharp Health Plan is reimbursed for such benefits.

### *Surrogacy Arrangements*

A surrogacy arrangement is one in which you agree to become pregnant and to surrender the baby to another person or persons who intend to raise the child. You must pay Sharp Health Plan for any amounts paid for covered benefits you receive related to conception, pregnancy,

delivery or newborn care in connection with a surrogacy arrangement ("surrogacy health services"). Your obligation to pay Sharp Health Plan for surrogacy health services is limited to the compensation you are entitled to receive under the surrogacy arrangement.

By accepting surrogacy health services, you automatically assign to Sharp Health Plan your right to receive payments that are payable to you or your chosen payee under the surrogacy arrangement, regardless of whether those payments are characterized as being for medical expenses. To secure their rights, Sharp Health Plan will also have a lien on those payments. Those payments shall first be applied to satisfy Sharp Health Plan's lien. The assignment and the lien will not exceed the total amount of your obligation to Sharp Health Plan under the preceding paragraph.

Within 30 calendar days after entering into a surrogacy arrangement, you must send written notice of the arrangement, including the names and addresses of the other parties to the arrangement, and a copy of any contracts or other documents explaining the arrangement, to:

Sharp Health Plan  
Customer Care  
Attention: Third Party Liability  
8520 Tech Way, Ste. 200  
San Diego, CA 92123-1450

You must complete and send Sharp Health Plan all consents, releases, authorizations, lien forms, and other documents that are reasonably necessary for Sharp Health Plan to determine the existence of any rights they may have and to satisfy Sharp Health Plan's rights. You must not take any action prejudicial to their rights. If your estate, parent, guardian, or conservator asserts a claim against a third party based on the surrogacy arrangement, your estate, parent, guardian, or conservator and any settlement or judgment recovered by the estate parent, guardian, or conservator shall be subject to Sharp Health Plan's liens and other rights to the same extent as if you had asserted the claim against the third party. Sharp Health Plan may assign their rights to enforce their liens and other rights.

## Continuing Your Coverage While on a Medical Leave of Absence (LOA)

If you stop active work because of illness or injury, you may continue your medical coverage during a medical leave of absence by continuing to remit timely premium payments to Sharp Health Plan. Your continuation of coverage because of disability will end at midnight of the last day of the month which coincides with or follows the earliest of the following dates:

- > The date that required premiums stop being paid by you;
- > The date that you have exhausted the allowable leave time provided by Sharp HealthCare's LOA policy;
- > The date you are no longer disabled if proof of disability is not provided within 10 days of receipt of request for proof.

## Continuation of Coverage (COBRA)

Sharp HealthCare is subject to the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). Under COBRA you and your eligible family members who lose coverage due to certain events may be entitled to continue coverage under COBRA as described in this section.

### *Important Terms Used In This Section*

The meanings of key terms used in this section are shown below. Whenever any of the terms shown below appear in these provisions, the first letter of each word will be capitalized. When you see these capitalized words, you should refer to this "Important Terms" section.

**Initial Enrollment Period** is the period of time following the original Qualifying Event.

**Qualified Beneficiary** means (1) a person who, on the day before a Qualifying Event, was covered under the plan as either an employee or spouse or child of the employee; and (b) an otherwise eligible child who is born to or placed for adoption with the employee during the COBRA continuation period. Qualified Beneficiary includes a spouse or child who is acquired during the COBRA continuation period. Domestic Partners are not recognized as Qualified Beneficiaries under COBRA.

**Qualifying Event** means any one of the following events which would otherwise result in the termination of coverage for the employee or the employee's spouse or child. These events may be referred to elsewhere in this section by number.

1. For employees, spouses or children:
  - a. The employee's termination of employment, for any reason other than gross misconduct; or
  - b. Any reduction in the employee's work hours to the point where coverage would be lost.
2. For spouses and children:
  - a. The death of the employee;
  - b. The spouse's divorce from the employee;
  - c. The child's loss of dependency status because of age; or
  - d. The employee's entitlement to Medicare.

An employee and/or the spouse or child of an employee who is a Qualified Beneficiary may elect COBRA coverage, provided they pay for such coverage as described in this section. COBRA continuation coverage may be chosen for all family members who are otherwise eligible for COBRA coverage, or only for selected family members.

## Terms of COBRA Continuation Coverage

**When COBRA Continuation Coverage Begins.** COBRA continuation coverage begins on the first day of the month following the date coverage was lost due to the original Qualifying Event.

When COBRA continuation coverage is elected during the Initial Enrollment Period and the required monthly contribution is paid, coverage is reinstated back to the 1st day of the month following the date coverage was lost due to the original Qualifying Event, so that no break in coverage occurs provided the election/enrollment is submitted to the COBRA administrator within 60 days of notification.

**Notice.** Sharp HealthCare will notify the employee and other eligible family members, as applicable, of the right to continue coverage under COBRA, as provided below:

1. For Qualifying Events 1 or 2, Sharp HealthCare will notify the employee and his or her dependents, as applicable, of the right to continue coverage.
2. For Qualifying Events 2(a) or 2(d), Sharp HealthCare will notify the eligible family member(s) (as applicable) of the right to continue coverage.
3. For Qualifying Events 2(b) and 2(c), the employee or other eligible family member must inform Sharp HealthCare's COBRA Administrator within 60 days of the later of (1) the date of the Qualifying Event; or (2) the date coverage would otherwise end on account of the Qualifying Event, if he or she wishes to continue coverage. Sharp HealthCare will in turn promptly give official notice of the COBRA continuation right to the spouse or other eligible family member, as applicable.

If you and/or an eligible family member elects to continue coverage, he or she must notify Sharp HealthCare within 60 days of the later of (1) the date coverage would otherwise end on account of the Qualifying Event; or (2) the date notice is provided regarding his or her right to elect COBRA continuation coverage. Your coverage will not be effective until you actually elect COBRA continuation coverage at which time your coverage will be retroactively

reinstated provided payment is received. The first payment must include premiums retroactive to the date your coverage ended.

If you, an eligible family member, or a designated third party fails to elect COBRA continuation coverage during the Initial Enrollment Period, he or she may not elect COBRA continuation coverage at a later date. The initial required monthly contribution, must be delivered to Sharp HealthCare within 45 days after COBRA coverage is elected. During this time, your coverage will not be effective but will be reinstated when your premiums are paid. The first payment must include premiums retroactive to the date your coverage ceased.

**Additional Family Members.** The standard enrollment provisions of the plan generally apply to otherwise eligible enrollees during the COBRA continuation coverage period. A spouse or child of a Qualified Beneficiary acquired during the COBRA continuation coverage period may be enrolled as a family member.

**Cost of Coverage.** Qualified Beneficiaries who properly elect COBRA continuation coverage must pay the entire cost of such coverage (the applicable rate), plus a 2% administrative fee for a total cost of 102% of the applicable rate. This cost is called the "required monthly contribution" and must be paid to Sharp HealthCare, or third party administrator (if applicable), each month during the COBRA continuation period. The applicable rate will vary depending upon the number of covered individuals.

**Multiple Qualifying Events.** Once COBRA continuation coverage begins, it is possible for a second Qualifying Event to occur. If that happens, a Qualified Beneficiary other than the employee may be entitled to an extended period of COBRA continuation coverage. In no event will the total period (for the first and any subsequent Qualifying Event) of COBRA continuation coverage provided to any member exceed 36 months of coverage measured from the first day of the month following the date coverage was lost due to the original Qualifying Event.

For example, an employee's child who was originally eligible for COBRA continuation coverage due to termination of the employee's employment (Qualifying Event 1) and enrolled for COBRA continuation coverage as a Qualified Beneficiary, would be entitled to up to 18 months of coverage. If, during this 18-month period, the child reaches the upper age limit of the plan [a second Qualifying Event – 2(c)], the child may be eligible to extend coverage for up to 36 months from the first day of the month following the date coverage was lost due to the original Qualifying Event (the termination of the employee's employment).

If an employee becomes entitled to Medicare (even if the employee's entitlement to Medicare is not a Qualifying Event) before a termination of employment or reduction in hours (Qualifying Event 1), a Qualified Beneficiary other than the employee may be eligible for COBRA continuation coverage for up to 36 months from the day on which the employee became entitled to Medicare or 18 months from the first day of the month following the date coverage was lost due to the termination or reduction in hours, whichever period is longer.

If an employee becomes entitled to Medicare within the 18-month period following a termination of employment or reduction in hours (Qualifying Event 1), a Qualified Beneficiary other than the employee may be eligible for COBRA continuation coverage for up to 36 months from the first day of the month following the date coverage was lost due to the termination or reduction in hours.

**Extension of COBRA Continuation Coverage Due to Total Disability.** If during the first 60 days of COBRA continuation coverage due to an employee's termination of employment or reduction in hours (Qualifying Event 1), a Qualified Beneficiary is determined to be disabled for Social Security purposes, the disabled Qualified Beneficiary and all associated Qualified Beneficiaries may be entitled to up to 29 months of COBRA continuation coverage measured

from the first day of the month following the employee's loss of coverage due to termination or reduction in hours. In order to elect this extension of COBRA continuation coverage, the disabled Qualified Beneficiary must:

1. Satisfy the legal requirements for being totally and permanently disabled under Title II or Title XVI of the Social Security Act; and
2. Be determined and certified to be disabled by the Social Security Administration.

The disabled Qualified Beneficiary or any other associated Qualified Beneficiary must furnish Sharp HealthCare with proof of the Social Security Administration's determination of disability no later than 60 days after the date of such determination and within the first 18 months of COBRA continuation coverage. For months 19 through 29 of the COBRA continuation coverage period the required monthly contribution for the disabled Qualified Beneficiary may increase from 102% of the applicable rate up to 150% of the applicable rate and must be paid to Sharp HealthCare each month during the extended COBRA continuation coverage period.

Unless coverage terminates on an earlier date as provided below under “When COBRA Continuation Coverage Ends,” this period of extended COBRA continuation coverage will end on the earlier of 29 months from the date coverage was lost due to the earlier termination or reduction in hours or the end of the month following a period of 30 days after the Social Security Administration's final determination that the Qualified Beneficiary is no longer disabled. The Qualified Beneficiary must notify Sharp HealthCare of a final determination by the Social Security Administration that he or she is not longer disabled within 30 days of any such determination.

**When COBRA Continuation Coverage Ends.** COBRA continuation coverage will end on the earliest of:

1. The date the maximum time period (i.e., 18, 29 or 36 months, whichever is applicable) is reached; and/or
2. The date Sharp HealthCare terminates all of its group health plans for all of its employees;
3. The last day of the period for which required monthly contributions are timely paid;
4. The date, after the date of election, upon which the Qualified Beneficiary becomes covered under any other group health plan, unless the other group health plan contains an exclusion or limitation relating to a pre-existing condition of the Qualified Beneficiary; or
5. The date, after the date of the election, upon which the Qualified Beneficiary first becomes entitled to Medicare.

In the case of an individual who is not a Qualified Beneficiary and who is receiving continuation coverage under the plan solely because of the individual's relationship to a Qualified Beneficiary, if the plan's obligation to make COBRA coverage available to the Qualified Beneficiary ceases under this section, the plan is not obligated to make coverage available to the individual who is not a Qualified Beneficiary.

**Additional Medical Continuation Coverage Available Under California Law.** For Qualifying Events occurring (e.g., loss of coverage) on or after January 1, 2003, an additional continuation period, following COBRA continuation, is available for California employees to the extent that federal COBRA continuation was provided for less than 36 months. In the event that the maximum federal COBRA continuation coverage available was less than 36 months, a Qualified Beneficiary may elect an additional amount of continuation coverage under Cal-COBRA for an aggregate 36 months of continuation coverage. A Qualified Beneficiary must first exhaust his or her federal COBRA continuation coverage period before becoming eligible for this supplemental Cal-COBRA coverage. Qualified Beneficiaries who properly elect the supplemental Cal-COBRA continuation coverage must pay the entire cost of such supplemental coverage (the applicable rate), plus a 10% administrative fee for a total cost of 110% of the applicable rate."

**CAL-COBRA coverage does not include dental.**

## Health Insurance Certificates

In August 1996, the federal government passed the Health Insurance Portability and Accountability Act (HIPAA). The Act requires that group health plans may not impose pre-existing condition exclusions that exceed 12 months from date of hire (or 18 months for late enrollees). In addition, any pre-existing condition imposed by a plan must be reduced by the period of an individual's creditable coverage under a prior employer's plan, individual insurance, or a government health plan. Credit is granted on a day-for-day basis up to the 12- or 18-month period. An exception to this required reduction in time is if the individual experiences a break in health care coverage between the prior health plan and the new plan.

A break in health care coverage occurs when there is a period of 63 days or more that the individual does not have health care coverage. The period of time prior to the break is not available to reduce the new plan's pre-existing condition exclusion period. Coverage between health care plans may be bridged through COBRA continuation coverage.

In order to comply with this Act, any individual who loses medical coverage under **SharpChoice** will receive a certificate to show the amount of the individual's creditable previous coverage. The certificate provides you with evidence of your prior health coverage with a **SharpChoice** plan. You may need to furnish this certificate if you become eligible under a group health plan that excludes coverage for certain medical conditions before you enroll. Certificates will be sent to the individual's last known address. Sharp Health Plan and Sharp HealthCare will coordinate the administration of the health insurance certificates.

## **COBRA Benefits for Participants Residing Out-of-Area**

For the medical plan only, if you or your dependents are COBRA-eligible and you relocate outside of Sharp Health Plan's service area (which is San Diego and South Riverside counties) you may continue medical coverage under COBRA; however, the COBRA coverage provided will be for authorized services rendered by contracted providers within the service area, and for emergency and urgent care services both within and outside the Plan's service area.

Non-emergency services rendered by non-contracted providers or providers outside the Plan's service area are not covered.

In addition, prescription benefit coverage is available; however, you must have your prescriptions filled at a plan pharmacy (e.g., Albertsons<sup>®</sup>/ Sav-On<sup>®</sup>, Costco<sup>®</sup>, CVS Pharmacy<sup>®</sup> locations including those at Target<sup>®</sup>, Ralphs<sup>®</sup>, Rite-Aid<sup>®</sup>, Vons<sup>®</sup>, Pavilions<sup>®</sup>, Walgreens<sup>®</sup>, Sharp Rees-Stealy Pharmacy, and independently contracted neighborhood pharmacies).

You will not be able to continue your prescription coverage under Cal-COBRA if you move out of area.

# Vision BENEFITS

When you enroll for medical coverage, you are also automatically enrolled for comprehensive vision benefits through Vision Service Plan (VSP). VSP offers low copayments with no claim forms when you use providers from the VSP Signature Network. You also have the option to use non-network providers but you must file a claim for benefits within six months after completion of services.

## How to Obtain Care from a VSP Member Provider

When you want to obtain vision care services, call a VSP doctor to make an appointment. *For details on how you locate a VSP doctor, call VSP at 800-877-7195 to request a VSP doctor listing or visit their website at [www.vsp.com](http://www.vsp.com). You may elect any provider in the VSP Signature Network. **Make sure you identify yourself as a VSP member, and be prepared to provide the covered member's social security number.*** The VSP doctor will contact VSP to verify your eligibility and plan coverage, and will also obtain authorization for services and materials. VSP will pay the doctor directly for covered services and materials. If you are not currently eligible for services, the VSP doctor is responsible for communicating this to you.

## When You Use a Non-VSP Provider

Services and materials obtained from an out-of-network provider will be reimbursed up to amounts on the schedule provided on the following page less any copayments. For out-of-network reimbursement, you pay the entire bill when you receive services, then send your itemized receipts and full patient and member information to VSP. **Claims must be submitted to VSP within six months from your date of service.** Please keep a copy of the information for your records and send the originals to the following address: Vision Service Plan, Out-of-Network Provider Claims, P.O. Box 997105, Sacramento, CA 95899-7105.

## Covered Vision Care Benefits

The lens allowances are for two lenses. If only one lens is needed, the allowance will be one-half the pair allowance.

Benefit payments for lenses and frames are based on medical necessity and are limited to certain maximum costs. If you choose a frame style or lens (tinted, oversize, etc.) which costs more than the plan covers, you are responsible for paying the difference in cost.

### Medically Necessary Contact Lenses

If medically necessary contact lenses are prescribed, they are covered in full (after the co-pay) for the following conditions:

- > Following cataract surgery;
- > To correct extreme visual acuity problems that cannot be corrected with spectacle lenses;
- > Certain conditions of anisometropia;
- > Certain conditions of keratoconus.

**NOTE:** The Member Doctor must secure prior approval from VSP for medically necessary contacts.

<sup>1</sup> When an exam and/or materials are received from a VSP doctor, the patient will have no out-of-pocket expense other than the copayment, unless optional items are selected. Optional items include, but are not limited to, oversize lenses (61 mm or larger) coated lenses, no-line multifocal lenses, and treatments for cosmetic reasons or a frame that exceeds the plan allowance. VSP doctors offer valuable savings including a 20 percent discount on non-covered pairs of prescription glasses (lenses and frame). Your VSP benefit provides guaranteed savings whether you choose a frame that is covered in full or one that exceeds the plan allowance. If you choose a frame valued at more than the plan's allowance, the difference you will pay is based on VSP's low, discounted member pricing. Have your doctor help you choose the best frame based on your VSP coverage.

<sup>2</sup> The allowance is in addition to the 15 percent discount on the contact lens exam. The allowance is applied to both the contact lens exam (fitting and evaluation) and the contact lenses. Any costs exceeding this allowance are the patient's responsibility.

<sup>3</sup> The contact lens exam is a special exam for ensuring proper fit of your contacts and evaluating your vision with the contacts. Medically necessary contact lenses must be prescribed by your doctor (as required for certain medical conditions) and approved by VSP.

<sup>4</sup> Annual limits shown here do not apply to pediatric (dependents ages 0-18) services or materials.

## Elective Contact Lenses

When selecting elective contact lenses (contacts that are not medically necessary) from a Member Doctor, the standard eye examination will be covered in full (after the co-pay). An allowance, as shown, will be provided toward the contact lens evaluation fee, fitting costs and materials. The contact lens allowance is approximately equal to the average cost of spectacle lenses and a frame under the VSP program. Any additional costs exceeding the allowance are your responsibility.

## Laser Vision Correction

VSP's Laser VisionCare<sup>SM</sup> program is also available to those covered under the VSP WellVision® Plan. It is designed to provide members with a discount off laser surgery when obtained through VSP contracted doctors, surgeons and laser centers. This program includes the two most common laser vision correction procedures, laser-assisted in-situ keratomileusis (LASIK) and photorefractive keratectomy (PRK). Call your VSP doctor to check if he or she is participating in the program. Doctors can also be located on VSP's website at [www.vsp.com](http://www.vsp.com) or by calling 1-(800) 877-7195.

## Plan Limitations

The VSP program is designed to cover your visual needs rather than cosmetic materials. If you select any of the following options, there will be an extra charge:

- > Blended lenses;
- > Contact lenses (except as noted elsewhere in this section);
- > Oversize lenses;
- > Progressive multifocal lenses;

- > Photochromic or tinted lenses other than Pink 1 or 2;
- > Coated or laminated lenses;
- > A frame that costs more than the plan allowance;
- > Cosmetic lenses;
- > Optional cosmetic processes;
- > UV protected lenses.

## Vision Services Not Covered

VSP will not provide benefits for professional services or materials in connection with:

- > Orthoptics or vision training and any associated supplemental testing;
- > Plano lenses (non-prescription);
- > Two pair of glasses in lieu of bifocals;
- > Lenses and frames furnished under this program which are lost or broken will not be replaced except at the normal intervals when services are otherwise available;
- > Medical or surgical treatment of the eyes;
- > Any eye examination, or any corrective eye wear, required by an employer as a condition of employment; or
- > Corrective vision services, treatments, ad materials of an experimental nature.

## How to File a Claim for Vision Benefits

You do not need to file a claim if you go to a VSP Member Provider.

If you go to a non-VSP provider, you'll have to pay for services and then submit an itemized statement of services received. You'll be reimbursed for costs up to the plan's benefit limits. **You have six months from the date of service to submit such claims to:**

P.O. Box 997105  
Attn: Out of Network Provider Claims

- Work issues
- Individual problems
- Family life
- Couples and marital issues
- Substance use and abuse
- Life changes

In addition, the EAP has referral resources to help employees deal with issues of childcare and/or elder care as well as other needs. A variety of training programs and management consultations are also available.

Employees are served through the Employee Assistance Program for issues not considered “medically necessary.” If the problem requires possible medical intervention, the EAP Counselor will assist you in coordinating care with your medical provider.

Confidentiality is maintained at all times. All counselors are state licensed and their code of ethics and the law require that no information is shared without the signed release by the employee. Sharp respects employees’ rights for confidentiality, and thus, will not attempt to compromise employee privacy.

The Employee Assistance Program (EAP) is a free service provided by Sharp HealthCare to all employees. The EAP provides professional and confidential, short-term, problem-focused counseling.

If you are unsure about whom to contact about a problem or wish to make an appointment with a counselor, please feel free to call the EAP Monday through Friday from 8:30 a.m. to 5:30 p.m.

## Your Rights Under ERISA

The Employee Retirement Income Security Act of 1974 (ERISA) provides certain rights and protection to participants of the **SharpChoice** Health, Welfare and Group Voluntary Employee Benefit Plans.

ERISA provides that all plan participants shall be entitled to:

### *Receive Information About Your Plan and Benefits*

- > You may examine, without charge, at the Plan Administrator’s office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Pension and Welfare Benefit Administration;
- > You may obtain, upon written request to the plan administrator, copies of documents governing the operation of the plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and an updated summary plan description. The administrator may make a reasonable charge for the copies;
- > You will receive a summary of the Plans’ annual financial reports. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

## *Continue Group Health Plan Coverage*

You may continue health care coverage for yourself or eligible children if there is a loss of coverage under the plan as a result of a qualifying event. You or your children may have to pay for such coverage. Review this summary plan description and the documents governing the plan on the rules governing your COBRA continuation coverage rights;

You will be provided a certificate of creditable coverage, free of charge, from your group health plan or health insurance issuer if/when you lose coverage under the plan, if/when you become entitled to elect COBRA continuation coverage, if/when your COBRA continuation coverage ceases, if you request it before losing coverage, or if you request it up to 24 months after losing coverage.

## *Prudent Actions by Plan Fiduciaries*

In addition to creating rights for Plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your Plan, called “fiduciaries” of the Plan, have a duty to do so prudently and in the interest of you and other Plan participants and beneficiaries. No one, including your employer, your union, or any other person, may terminate your employment or otherwise discriminate against you in any way to prevent you from obtaining a health benefit or exercising your rights under ERISA.

## *Enforce Your Rights*

If your claim for health benefits is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and you do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day (not to exceed \$1,100) until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. In addition, if you disagree with the plan’s decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit in Federal Court. If it should happen that the plan fiduciaries misuse the Plan’s money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees if, for example, it finds your claim is frivolous.

## *Assistance with Your Questions*

If you have any questions about your plan, you should contact the Plan Administrator. If you have any questions about this statement or your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest area office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory, or at [www.dol.gov/EBSA](http://www.dol.gov/EBSA), or the Secretary of Participant Assistance, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue NW, Suite N-5623, Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration at 1-(866) 444-3272 (EBSA).

**NOTE:**

*The plan described in this book is not to be construed as conditions of employment. Sharp HealthCare reserves the right to modify, revoke, suspend, terminate, or change the plan in whole or in part, at any time, without notice. The language used in this book is not intended to create, nor is it to be construed to create, a contract between Sharp HealthCare and any one of its employees. Nothing herein shall be construed to give any person the right to be retained in the employ of Sharp HealthCare or otherwise restrain Sharp HealthCare's right to deal with its employees. ## Right to Designate Primary Care Provider, Pediatrician and/or OB/GYN

Sharp Health Plan generally requires the designation of a primary care provider. You have the right to designate any primary care provider who participates in our network and who is available to accept you or your family members. Until you make this designation, Sharp Health Plan designates one for you. For information on how to select a primary care provider, and for a list of the participating primary care providers, contact Sharp Health Plan at (800) 359-2002 or (858) 499-8300 or visit their website at: [www.sharphealthplan.com](http://www.sharphealthplan.com). For children, you may designate a pediatrician as the primary care provider.

You do not need prior authorization from the plan or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional in Sharp Health Plan's network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, contact Sharp Health Plan at (800) 359-2002 or (858) 499-8300 or visit their website at [www.sharphealthplan.com](http://www.sharphealthplan.com).

## Special Enrollment Rights

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stopped contributing towards your or your dependents' other coverage). However, you must request enrollment within 31 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 31 days after the marriage, birth, adoption, or placement for adoption.

To enroll or elect additional coverage because of a special enrollment event, you must contact your local Human Resources office or the Employee Benefits Department at (858) 499-4336. You must submit your changes within 31 days of the date you lost other coverage or you gained a new dependent. Even if you are enrolled in family coverage, you must contact your local Human Resources office or the Employee Benefits Department to make the election changes for any new dependent within 31 days of gaining any new dependent. To request more information, contact your local Human Resources office or the Employee Benefits Department at (858) 499-4336.

## Newborns and Mothers Health Protection Act

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as

applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours ( or 96 hours).

## Women's Health and Cancer Rights Act

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- all stages of reconstruction of the breast on which the mastectomy was performed;
- surgery and reconstruction of the other breast to produce a symmetrical appearance;
- prostheses; and
- treatment of physical complications of the mastectomy, including lymph edema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan.

If you would like more information on WHCRA benefits, contact your local Human Resources office or the Employee Benefits Department at (858) 499-4336.

## Your Rights Under the Uniformed Services Employment and Reemployment Rights Act of 1994

### A. The Uniformed Services Employment and Reemployment Rights Act

USERRA protects the job rights of individuals who voluntarily or involuntarily leave employment positions to undertake military service or certain types of service in the National Disaster Medical System. USERRA also prohibits employers from discriminating against past and present members of the uniformed services, and applicants to the uniformed services.

### B. Reemployment Rights

You have the right to be reemployed in your civilian job if you leave that job to perform service in the uniformed service and:

- You ensure that your employer receives advance written or verbal notice of your service;
- You have five years or less of cumulative service in the uniformed services while with that particular employer;
- You return to work or apply for reemployment in a timely manner after conclusion of service; and
- You have not been separated from service with a disqualifying discharge or under other than honorable conditions.

If you are eligible to be reemployed, you must be restored to the job and benefits you would have attained if you had not been absent due to military service or, in some cases, a comparable job.

### C. Right to be Free from Discrimination and Retaliation

If you:

- Are a past or present member of the uniformed service;
- Have applied for membership in the uniformed service; or
- Are obligated to serve in the uniformed service, then an employer may not deny you –

- Initial employment;
- Reemployment;
- Retention in employment;
- Promotion; or
- Any benefit of employment, because of this status.

In addition, an employer may not retaliate against anyone assisting in the enforcement of USERRA rights, including testifying or making a statement in connection with a proceeding under USERRA, even if that person has no service connection.

#### D. Health Insurance Protection

- If you leave your job to perform military service, you have the right to elect to continue your existing employer-based health plan coverage for you and your dependents for up to 24 months while in the military.
- Even if you don't elect to continue coverage during your military service, you have the right to be reinstated in your employer's health plan when you are reemployed, generally without any waiting periods or exclusions (e.g., pre-existing condition exclusions) except for service-connected illnesses or injuries.

#### E. Enforcement

- The U.S. Department of Labor, Veterans' Employment and Training Service (VETS) is authorized to investigate and resolve complaints of USERRA violations.
- For assistance in filing a complaint, or for any other information on USERRA, contact VETS at 1-866-4-USA-DOL or visit its Web site at <http://www.dol.gov/vets>. An interactive online USERRA Advisor can be viewed at <http://www.dol.gov/elaws/userra.htm>
- If you file a complaint with VETS and VETS is unable to resolve it, you may request that your case be referred to the Department of Justice for representation.

You may also bypass the VETS process and bring a civil action against an employer for violations of USERRA.

The rights listed here may vary depending on the circumstances. The text of this notice was prepared by VETS, and may be viewed on the Internet at this address: [https://www.dol.gov/vets/programs/userra/USERRA\\_Federal.pdf](https://www.dol.gov/vets/programs/userra/USERRA_Federal.pdf)

# Important Notice from Sharp HealthCare About Your Prescription Drug Coverage and Medicare<sup>1</sup>

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Sharp Health Plan and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice. There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Sharp HealthCare has determined that the prescription drug coverage offered by Sharp Health Plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

## *When Can You Join A Medicare Drug Plan?*

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th through December 7th. However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

## *What Happens To Your Current Coverage If You Decide to Join a Medicare Drug Plan?*

If you decide to join a Medicare drug plan, your current Sharp Health Plan coverage will not be affected. If you are currently enrolled in coverage with Sharp Health Plan, the plan pays for other health expenses in addition to prescription drugs. If you enroll in a Medicare prescription drug plan, you and your eligible dependents will still be eligible to receive your current Sharp Health Plan health and prescription drug benefits. The prescription drug coverage provided by Sharp Health Plan includes coverage for outpatient generic and brand formulary medications with co-pays from you. The plan utilizes a drug formulary which is an updated list of medications for plan physicians to use when prescribing medicines. Medications not listed on the formulary are covered but require higher co-pays from you.

Your coverage options include:

- > You may retain your existing coverage with Sharp Health Plan and choose not to enroll in Medicare Part D at this time. You may enroll in Part D at a later date (and without penalty if you enroll within 63 days of the loss of creditable coverage).
- > You may retain your existing coverage with Sharp Health Plan and enroll in Medicare Part D coverage. Sharp Health Plan will coordinate with Medicare Part D coverage.
- > You may enroll in Medicare Part D in lieu of other coverage. If you decide to enroll in the Medicare Part D prescription drug plan and drop your current Sharp Health Plan coverage, you may not be able to get this coverage back until the next

<sup>1</sup> Generally, any individual age 65 or over, or any individual entitled to Medicare disability or end-stage renal disease benefit is eligible for Medicare Part D.

open enrollment. You and your dependents may re-enroll into Sharp Health Plan only once each calendar year during the open enrollment under the Sharp HealthCare Benefits Program.

- > See pages 7-9 of the CMS Disclosure of Creditable Coverage To Medicare Part D Eligible Individuals Guidance (available at <http://www.cms.hhs.gov/CreditableCoverage>), which outlines the prescription drug plan provisions/options that Medicare eligible individuals may have available to them when they become eligible for Medicare Part D.

### *When Will You Pay a Higher Premium (Penalty) to Join a Medicare Drug Plan?*

You should also know that if you drop or lose your current coverage with Sharp Health Plan and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

### *For More Information about This Notice or Your Current Prescription Drug Coverage*

For information about your current prescription drug coverage contact Sharp Health Plan at (858) 499-8300 or (800) 359-2002. For further information about this notice, contact Sharp HealthCare's Employee Benefits Department Hotline at (858) 499-4336 or the Employee Benefits Department at (858) 499-5292.

*NOTE: You will receive this notice each year. You will also receive it before the next period you can join a Medicare drug plan, and if this coverage through Sharp Health Plan changes. You also may request a copy of this notice at any time.*

### *For More Information about Your Options under Medicare Prescription Drug Coverage*

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans. For more information about Medicare prescription drug coverage:

- > Visit [www.medicare.gov](http://www.medicare.gov)
- > Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help
- > Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at [www.socialsecurity.gov](http://www.socialsecurity.gov), or call them at 1-800-772-1213 (TTY 1-800-325-0778).

---

***Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).***

### Add My Dependent From Enrollment

Daffy Duck

You are permitted to add your eligible dependents as a new hire to be effective the first of the month following or coinciding with your hire date, or during the year if you experience an IRS "qualified status change." You will be required to attach appropriate documentation when adding an eligible dependent.

You will have 31 days from the status change event to make changes to certain benefit plans. Any additions or changes to life insurance, dependent life insurance, and/or personal accident insurance will not be effective if you are not in an "active at work" benefits eligible status on the day your coverage becomes effective. Your coverage will not be effective until your return to work.

For allowable life insurance changes, when adding your eligible dependent Evidence of Insurability (EOI) may be requested from you by the life insurance company for enrollment in coverage greater than a one level increase. Coverage is not automatic or guaranteed.

*Please note that per diem employees may only enroll in the medical/vision plan for themselves and children under the age of 26.*

#### Dependent Verification Program

When adding a dependent to medical and/or dental plan for the first time, you will be requested to provide Dependent Verification information documents upon your enrollment. If the appropriate documents are not received, your dependent will be removed from coverage.

Please click on the following link to see sample documents and a FAQ regarding dependent verification information:

# New Health Insurance Marketplace Coverage Options and Your Health Coverage

Form Approved  
OMB No. 1210-0149  
(expires 6-30-2023)

## PART A: General Information

When key parts of the health care law take effect in 2014, there will be a new way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment-based health coverage offered by your employer.

### What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace begins in October 2013 for coverage starting as early as January 1, 2014.

### Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

### Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5% of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit.<sup>1</sup>

**Note:** If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution -as well as your employee contribution to employer-offered coverage- is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

### How Can I Get More Information?

For more information about your coverage offered by your employer, please check your summary plan description or contact SharpHealthCare Employee Benefits Department at 858-499-5245, 858-499-5292 or 858-499-5177.

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit [HealthCare.gov](http://HealthCare.gov) for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

---

<sup>1</sup> An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs.

## PART B: Information About Health Coverage Offered by Your Employer

This section contains information about any health coverage offered by your employer. If you decide to complete an application for coverage in the Marketplace, you will be asked to provide this information. This information is numbered to correspond to the Marketplace application.

3. Employer name Sharp HealthCare		4. Employer Identification Number (EIN) 95-6077327

Eligible children include biological and adopted children, stepchildren, and children for whom the employee has obtained legal guardianship. For per diem employees: child(ren) meeting definition above.**

☐ We do not offer coverage.

- ☒ If checked, this coverage meets the minimum value standard, and the cost of this coverage to you is intended to be affordable, based on employee wages.

**\*\* Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.**

If you decide to shop for coverage in the Marketplace, [HealthCare.gov](https://www.healthcare.gov) will guide you through the process. Here's the employer information you'll enter when you visit [HealthCare.gov](https://www.healthcare.gov) to find out if you can get a tax credit to lower your monthly premiums.

• An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs (Section 36B(c)(2)(C)(ii) of the Internal Revenue Code of 1986)

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit [www.sharphealthplan.com](http://www.sharphealthplan.com) or call 1-800-359-2002. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms, see the Glossary. What is not included in the <a href="#">out-of-pocket limit</a> ?	<a href="#">Premiums</a> , <a href="#">copayments</a> for supplemental benefits (except prescription drugs, and health care this <a href="#">plan</a> doesn't cover. You will pay the most if you use an <a href="#">out-of-network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the <a href="#">provider's</a> charge and what your <a href="#">plan</a> pays ( <a href="#">balance billing</a> ). Be aware, your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services.
Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?	Yes.	This <a href="#">plan</a> will pay some or all of the costs to see a <a href="#">specialist</a> for covered services but only if you have a <a href="#">referral</a> before you see the <a href="#">specialist</a> .

Important Questions	Answers	Why This Matters:
What is the overall <a href="#">deductible</a> ?	\$0	See the Common Medical Events chart below for services this <a href="#">plan</a> covers.
Are there services covered before you meet your <a href="#">deductible</a> ?	N/A	N/A
Are there other <a href="#">deductibles</a> for specific services?	No.	You don't have to meet <a href="#">deductibles</a> for specific services.
What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ?	\$1,500 Individual / \$3,000 Family	The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a> , they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket limit</a> has been met.
What is not included in the <a href="#">out-of-pocket limit</a> ?	<a href="#">Premiums</a> , <a href="#">copayments</a> for supplemental benefits (except prescription drugs), and health care this <a href="#">plan</a> doesn't cover.	Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .

See <a href="http://www.sharphealthplan.com">www.sharphealthplan.com</a> or call 1-800-359-2002 for a list of <a href="#">network providers</a> .	This <a href="#">plan</a> uses a <a href="#">provider network</a> . You will pay less if you use a <a href="#">provider</a> in the <a href="#">plan's network</a> . You will pay the most if you use an <a href="#">out-of-network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the <a href="#">provider's</a> charge and what your <a href="#">plan</a> pays ( <a href="#">balance billing</a> ). Be aware, your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services.
Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?	Yes.	This <a href="#">plan</a> will pay some or all of the costs to see a <a href="#">specialist</a> for covered services but only if you have a <a href="#">referral</a> before you see the <a href="#">specialist</a> .
