

Employer of Choice for Nurses in San Diego

Sharp HealthCare is San Diego's health care leader, and that's just one reason why more nurses make us their employer of choice. From shared decision-making and clinical support teams to career advancement and education opportunities, we empower RNs to practice at the top of their license.

- **Great compensation and benefits** — Our exceptional pay and benefits package includes fully funded education programs.
- **Collaborative practice** — Through unit practice councils and an emphasis on nurse engagement, we empower RNs to drive their practice forward.
- **A supportive work environment** — Our nurses are supported by clinical teams, such as nursing assistants and members of wound, lift and IV teams, so they can focus on providing patients with the best care possible.
- **Diverse opportunities and career advancement** — Sharp RNs are encouraged to follow their passions. With so many specialties and locations serving every region of San Diego County, career opportunities at Sharp have no bounds.

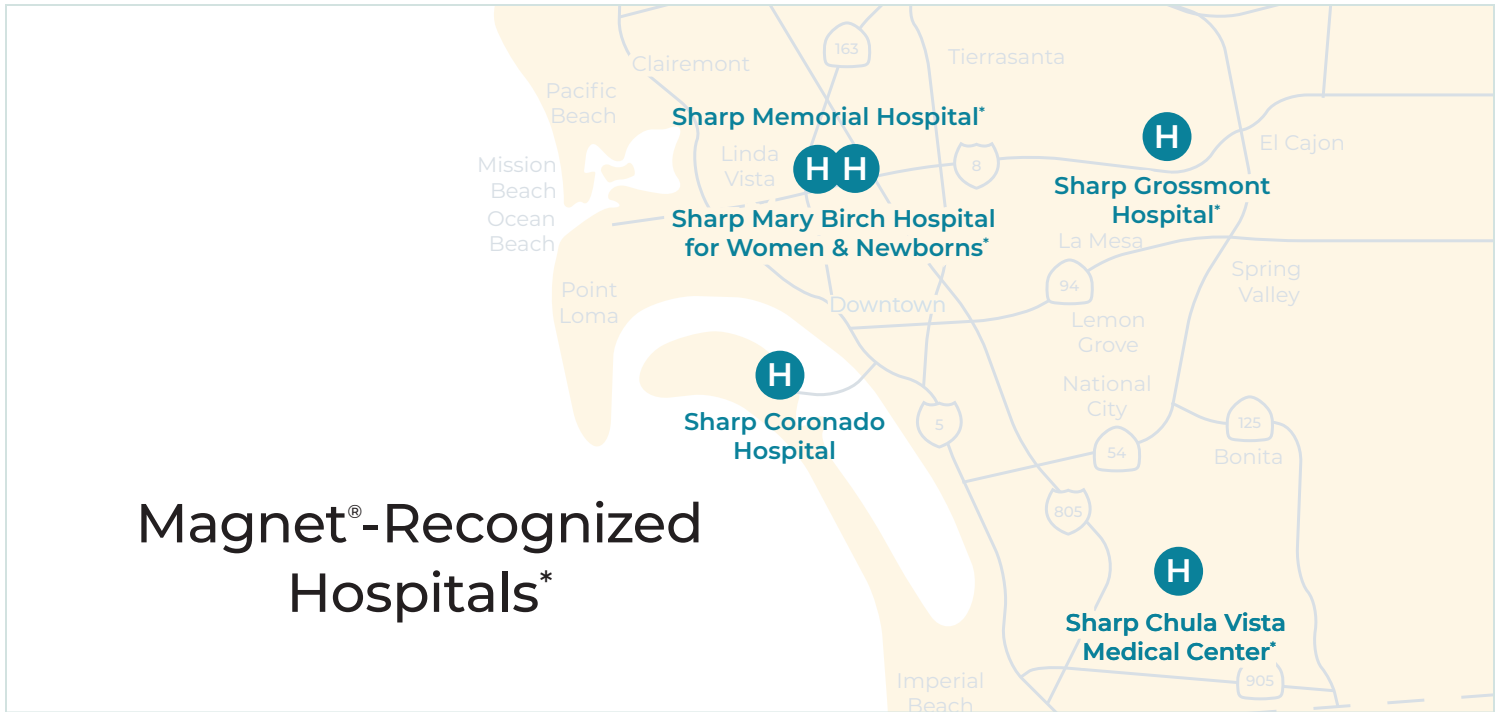

Four of Sharp's hospitals are Magnet-designated for excellence in nursing practices and quality patient care. This recognition by the American Nurses Credentialing Center (ANCC) is the highest honor given by the ANCC and is accepted internationally as the gold standard in nursing excellence.

Join us at Sharp in our mission to improve the health of everyone we serve. Our system features four acute care hospitals, three specialty hospitals, three affiliated medical groups, and multiple medical centers and specialty locations. We are recognized for clinical expertise in emergency and critical care, orthopedics, cancer treatment, heart and vascular care, stroke care, physical rehabilitation, and robotic surgery. We also offer a full range of maternity, neonatal, and women's surgical services, delivering more than 12,000 babies annually — more than any other health care system in San Diego.
