Corporate Supply Chain Internship & Rotational Program

Our supply chain division offers opportunities for both currently enrolled students, as well as, new grads through our support center internship program, and the Supply Chain Analyst Rotational Program. Here you'll gain hands-on knowledge and experience in a variety of areas, and learn first-hand from a retail industry leader!

Our innovative supply chain model sets the industry standard and it enables our company to increase sales while keeping inventories low. As an intern or a rotational program analyst, you'll gain valuable experience and knowledge to kick-start your career. Both opportunities take place at our support center headquarters in Deerfield, IL.

Additionally, each program offers its own unique experiences such as:

Internship Program

- Learn about the organization, build your network, and test your skills
- Occurs for 10 weeks over the summer at the Walgreens corporate headquarters
- Participate in annual case study competition
- Build skills through professional development activities
- Manage a project

Rotational Program

- Entry level rotation program with 3 rotations every 8 months
- Highly visible to senior leadership
- Develops well-rounded future business leaders
- Rigorous performance management and training
- One-on-one mentorship
- Opportunities for career advancement
