Community Pharmacy Intern

One of Walgreens most exciting paths to becoming a pharmacy professional is our internship program. This program will provide you with the varying levels of activities and learning experiences based on your year in pharmacy school. If you're looking for immersion in the field, from prescription medications to herbal products, disease state information to pharmacy laws and ethics, this is the ideal opportunity for you.

Gain experience in areas such as:

- General pharmacy operations
- Community involvement
- Pharmacy laws and ethics
- Leadership and management
- Retail clinical services
- Medication adherence, and more!

Join a program designed for you in a friendly and dynamic work environment! You'll learn first-hand from our caring team members in a culture of continuous learning.

This program is offered during the months of May through August, and offers a competitive salary based on the region.
