## To redeem your digital coupons

### 1 How to "Clip Your Coupons"

#### On the Wegmans App OR on [wegmans.com](http://wegmans.com)

1. Log in, click on the **Menu button** in the upper left hand corner
  2. Tap **"My Coupons"**
  3. Tap **"Browse Coupons"** then **"View All"** and a list of available coupons will appear.
  4. Tap the item and then the **"Clip Coupon"** button
  5. The coupon has now been loaded to your Shoppers Club card and can be used when you purchase the item
1. Log in, click on **"My Coupons"** in the upper right hand corner
  2. Click **"View All"** in the left navigation to browse all available coupons
  3. Click **"Item Details"** and then click **"Clip Coupon"** button
  4. The coupon has now been loaded to your Shoppers Club card and can be used when you purchase the item

### 2 Redeem Your Digital Coupons

**Swipe your card, keytag or allow the cashier to scan your Wegmans App at checkout.**

You don't need to tell the cashier you have a digital coupon. Just purchase the item and the coupon will automatically be redeemed.

The coupon redemption will show on your receipt. You can also log into [wegmans.com](http://wegmans.com), or the Wegmans App to see coupons you have redeemed.
