

Celebrating a Successful Impact Day

PerkinElmer
IMPACT DAY 2022
May 17: Championing Change

Overview

THEME:
Championing
Change

This year on Impact Day, our colleagues around the world went above and beyond to give back in their local communities, helping people and our planet.

Teams found ways to make a difference wherever they were, whether on site, at home, or in the field.

Take a look...

#ImpactDayPKI
