CAROLINA EAST
HEALTH SYSTEM

About Us

The CarolinaEast Medical Center Anesthesia team works in a fast-paced, innovative environment providing top-tier patient care and comfort for all types of procedures. CRNAs perform anesthesia for all populations of patients and all types of procedures, including inpatient, outpatient, open heart and obstetrics. Care is provided in the main Operating Room, Electrophysiology Lab, OB, Outpatient Services, MRI suite, CT suite, Specials, Surgery Center and Endoscopy Center.

CarolinaEast is an employer of choice in eastern North Carolina. As an employer we make it a priority to provide our employees with the tools they need to accomplish their professional goals all while providing excellent, award winning care.
