

ADMINISTRATIVE SERVICES FEE AGREEMENT

INSTRUCTIONS: Complete the required information forward to Academic Human Resources: Visa & International Services Administration (VISA) for processing.

OVERVIEW

The VISA office charges an administrative service fee for the processing of applications in connection with requests for issuance or sponsorship of visa statuses. These fees are used to offset the administrative costs associated with the preparation, submission and administration of CSMC's Exchange Visitor Program, nonimmigrant (temporary) and immigrant (permanent) visa applications to the United States Citizenship and Immigration Services and the United States Department of State. These fees are not charged, or in any way deemed to be related to legal counsel, advice or consultation.

The department is responsible for **all** fees/costs associated with the processing of the beneficiary's (employees) visa sponsorship and the cost for derivative dependents (spouse and children) is **optional**. Please note, USCIS application fees and external legal counsel fees are not included. The specific filing fees associated with these processes are outlined on the Fee Schedule. Individuals are permitted to choose their own legal counsel. However, attorney selection must be made from the Medical Center's approved Immigration Attorney Referral List in coordination with VISA office.
