Why Change Healthcare?

See why our team members chose a flexible medical role at Change Healthcare.

“I loved that **the hours were flexible** and the **pay was based on the quality and quantity of charts abstracted**. I now have worked the past 12 seasons with Change Healthcare because **it has been a great opportunity for me to build my skills** with yearly company trainings where there is always someone to help answer questions.”

Debra Godbey, RN/HEDIS

“Being a Field Reviewer for Change Healthcare has given me an opportunity to **use my knowledge, skills, and abilities** to transition from a high-pressure work environment to a **highly rewarding career**. I am able to **spend quality time with my family**, and I am relieved from a stressful, rigid schedule.”

Basantha Kannan, Field Reviewer

“I really love Change Healthcare! Especially because they have such a **vested interest in education with their coders**. Additionally, QA’s are very qualified and instead of harsh error notifications, the coder gets coding information as a **learning experience for future growth**.”

Karen Peugh, Remote Medical Coder

“The best part of working for Change Healthcare as a Chart Intake Specialist is working with the people. Every day, **I work with team members who are incredible smart and passionate about their work**. In addition, I get to work with people who are **invested in my development** and want to see me progress.”

Dhiren Patel, Chart Intake Specialist
