HOW DO YOU BUILD A TALENT COMMUNITY THAT'S ACTUALLY FILLED WITH THE TALENT YOU NEED?

You can define and automate smart lists. Import and revitalize old databases. Communicate with candidates. And use powerful search capabilities that shine a spotlight on the best talent. Candidate HQ is an intelligent data hub within the TalentBrew Software Platform that helps you create a robust, vibrant candidate network.

CANDIDATE HQ

TAKE CONTROL OF YOUR TALENT COMMUNITY.

Maintaining a candidate pool can be a full-time job. There are multiple databases. Outdated preferences. And it's never easy to organize. But Candidate HQ takes the hard work out of a talent community. From filtering to list building to reporting tools, this innovative product – powered by the TalentBrew Career Site – enables you to manage and connect with your ideal candidates.

Job Alerts

Reach the candidates who have opted in via candidate engagement and data capture opportunities.

Browse, tag and add notes and comments to your candidate profiles.

PUT SOME POWER BEHIND YOUR CANDIDATE DATA.

Candidate HQ can process your contact information from offline sources, dormant databases, manual imports and, of course, directly from opt-in job alert forms on your TalentBrew Career Site. Once that data's entered – along with any additional data you want to include – you'll find some amazing flexibilities:
- Tag and add comments to candidate profiles and define what's visible to other colleagues

- See how candidates found you, so you can better understand their media habits

- Build filtered lists that automatically update when new candidates who fit your filters opt in

- Create smaller pools of candidates for direct communications – ideal for specialized projects

- Search your talent community using specific parameters to find the best match

- Easily export your lists to virtually any email system – including TMP's Email Center

- Access and manage your talent community from any device at any time

WHETHER IT'S SUDDEN GROWTH, HIGH TURNOVER OR WORKFORCE DIVERSIFICATION, WE'LL HELP YOU ATTRACT, ENGAGE AND HIRE THE RIGHT PEOPLE.
You can do amazing things and solve virtually any challenge with our software, technology and service solutions. At the center of it all is the revolutionary TalentBrew Software Platform – powering **Candidate HQ** and a wide range of efficient and effective solutions that simplify every aspect of your recruiting process.
