The "PROGRAM RECOGNITION" section states: "Children's Hospital Los Angeles is recognized throughout the United States and around the world for our leadership in pediatric and adolescent medicine, as well as pediatric research. As a Magnet-designated hospital, CHLA is one of America's premier teaching hospitals, affiliated with Keck School of Medicine of the University of Southern California for more than 73 years." Below this, a paragraph is highlighted with a red box: "In 2015, the RN Residency in Pediatrics at CHLA was designated as Accredited with Distinction by the American Nurses Credentialing Center's Practice Transition Accreditation Program. This program recognizes transition programs which meet the highest quality standards. Currently, only five programs across the United States have achieved this designation."
