

Building partnerships through connections that count.

Radancy partners with industry leaders to deliver job seekers a seamless experience, across the entire candidate journey. We're proud to partner with providers across the HR landscape to deliver data-driven solutions that solve business-critical recruiting and talent challenges. These relationships expand the impact of our Radancy Talent Acquisition Cloud, allowing us to maximize reach, optimize touchpoints and increase recruiter efficiency for our customers. One of the ways we do this is through the Radancy Partner Referral Program.

Program Benefits

As a part of our program, you'll receive the following benefits:

- Access to Radancy customer opportunities and a new revenue stream
- Increased brand awareness in the talent technology industry through Radancy
- Enhanced integration with Radancy products
- Extended support through Radancy teams – Customer Service, Technical, Sales and Marketing

The Referral Partnership Process

Radancy and partners will work together to identify opportunities and share referral leads through a variety of channels – Sales, Customer Service and online requests. These teams will facilitate direct introductions and demos as appropriate for each other.

To become a Radancy partner, you must fulfill the following:

- Review and sign the Radancy referral agreement. This defines scope, products and financial arrangement
- Complete technical review and integration with Radancy products
- Participate in ongoing quarterly reviews to optimize sales, integrations and reporting

A Radancy partnership team member can provide all documents and agreements.
