To be the global energy company most admired for its people, partnership and performance

United States Application Statement:

I have reviewed the "United States Privacy Statement" located [here](#) and the "U.S. Employment Applicant Privacy Notice" (including a notice for California residents) located [here](#) on the Chevron Careers website, and I understand that Chevron will process my personal data submitted with this application or saved to the application processing system in accordance with the disclosures and terms contained therein.

If offered employment and at Chevron (Company) discretion, I agree to submit to a drug test and medical examination by a physician designated by the Company, and agree to comply with Chevron's policy on a drug-free workplace.

I understand that if I am employed, employment with Chevron will be "at will". At-will employment means that either I or the Company may terminate the employment relationship at any time with or without cause and with or without notice, and that the Company may change my terms and conditions of employment (e.g., compensation, duties, assignments, responsibilities, or job location, and with the exception that at-will employment cannot be changed) with or without cause or notice. No one at the Company is authorized to alter this at-will agreement, or to make any agreement contrary to the Company's at-will employment policy.

Upon completion of this application you will be asked to certify that the answers given by you to all questions on this application are true and correct. You further understand that any misrepresentation or omission of facts called for herein will be sufficient cause for dismissal from Company service.
