

# Grass Valley, California

## A place to learn, live and belong.

Grass Valley offers a unique training and living experience in the Sierra Nevada foothills. Located between Sacramento and Lake Tahoe, the community combines small-town connection, natural beauty and year-round outdoor recreation.

### LOCATION

Between Sacramento and Lake Tahoe

### LIFESTYLE

Small-town, outdoors-focused

### SETTING

Sierra Nevada foothills

## Why Grass Valley

Residents and trainees learn in a historic rural community surrounded by lakes, rivers, trails and mountain recreation. The setting offers many ways to recharge outside of work while staying connected to the people and communities they serve.

### Small-town connection

A welcoming community with a slower pace, local character and opportunities to build relationships.

### Outdoor access

Trails, rivers, lakes and mountain recreation are nearby, making it easy to step outside and reset.

### Easy day trips

Sacramento and Lake Tahoe are within reach for city amenities, alpine recreation and weekend exploring.

## Recharge in every season

From foothill trails to nearby mountain getaways, the Grass Valley area makes it easy to spend time outdoors throughout the year.

### Things to do nearby

- Hiking, biking and walking trails
- Fishing, boating, rafting and kayaking
- Skiing, snowboarding and mountain recreation
- Camping, rock climbing and scenic drives

## Arts, culture and community

The Grass Valley and Nevada County area is home to local music, theater, galleries, museums, festivals and community events. For trainees and families, the area offers a welcoming place to live, train and serve.
