

The future of health care leadership starts here.

CommonSpirit Health is the largest faith-based not-for-profit health system in the United States committed to building healthier communities, advocating for those who are poor and vulnerable, and innovating how and where healing can happen. With corporate offices located in Chicago, IL, and care centers spanning 21 states, CommonSpirit Health is here to serve the common good.

Mission Track Rotation Structure

18 month program
3 month rotations

System Level Project

Goals and learning objectives developed for each rotation

Administrative Fellowship Mission Track

The CommonSpirit Health Administrative Fellowship Mission Track Fellow will work directly with mission leadership to develop leadership competencies in Mission Integration, Spiritual Care, Community Health, Ethics, and Ministry Formation. The fellow will develop and lead initiatives in order to ensure our organization's mission, vision, values and heritage are integrated into all aspects of CommonSpirit Health.

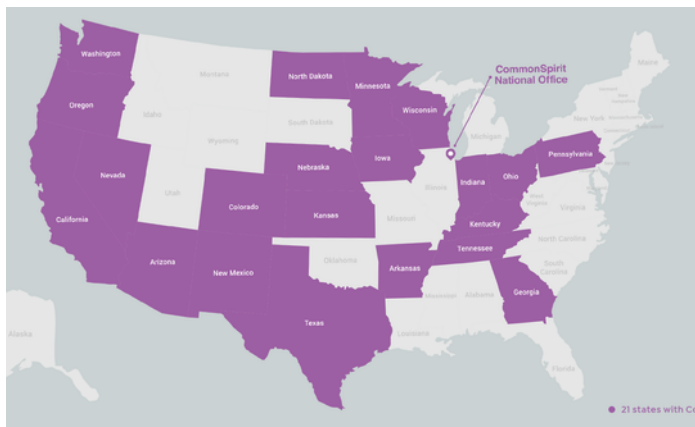

Locations

This Fellowship is available for recent grads and early careerists (5 years or less of experience in their current field) interested in pursuing a career in healthcare and mission leadership

The 2023-2024 CommonSpirit Health Fellowship will be hosting one Mission Integration Fellow in the following location:

- Southern California: Dignity Health Los Angeles, CA

Eligibility

The Administrative Fellowship Program is an opportunity dedicated for early careerists with five years or less of work experience in their current field. Eligible applicants must have recently completed, or will have completed upon conclusion of Fellowship, a Master's degree, doctorate, or equivalent, from an accredited institution of higher learning in either:

- Theology
- Religious studies
- Mission studies
- Or related field
- An advanced degree in another discipline with certification in one of these fields may be considered.

Successful candidates will demonstrate interest in management opportunities within an integrated healthcare delivery system, a passion for the mission of CommonSpirit Health, and a commitment to being a provider of humankindness.

Other experience preferred:

- Minimum of two years of supervisory/ management experience, preferred
- Professional preparatory training (Master's level or equivalency) in theology, spirituality, ethics and community health, APCE or NACC Clinical Pastoral Education, preferred
