Coram[®]

♥CVS specialty infusion services

Who is Coram?

Coram®, a service provided by CVS Health®, provides vital infusion services and expert support to tens of thousands of Americans each month. Coram is a national provider of specialty home infusion services and specialty pharmacy distribution with more than 85 branch locations across the country. Coram's nurses, pharmacists, dietitians, and other clinical staff are known in the industry for providing an exceptional level of care to thousands of home and infusion suite IV patients every day, including those with complex therapy needs.

WHAT IS THE PURPOSE OF CORAM'S POST-GRADUATE YEAR ONE (PGY-1) RESIDENCY PROGRAM?

PGY-1 pharmacy residency programs build on Doctor of Pharmacy (PharmD) education and outcomes to contribute to the development of clinical pharmacists responsible for medication-related care of patients with a wide range of conditions, eligible for board certification, and eligible for postgraduate year two (PGY-2) pharmacy residency training.

WHAT ARE THE COMPANY BENEFITS AND STIPEND?

Coram offers a competitive annual stipend, sick days, paid vacation, health insurance and 401K plans. Approved travel expenses for residency events and conferences are covered by Coram per travel and reimbursement policies.

WHAT CAN I EXPECT FROM THE PGY-1 RESIDENCY PROGRAM?

- Opportunities to attend and present at regional and national professional meetings
- Preceptorship from leading experts in specialty home infusion and pharmacy practice

- Learning experiences that focus on multidisciplinary care coordination approach for patient assessment, care planning, monitoring, education and medication reconciliation
