Why work for us?

Here at Dell Technologies, we are continuously looking for passionate, innovative and creative thinkers with diverse backgrounds who want to take our organization to the next level. We are committed to the hiring and progression of diverse candidates and team members by leaning into our inclusive culture.

We believe that people like you can transform the business of tomorrow by bringing innovative ideas and creative problem-solving to the table. For our team, all perspectives are valued and it's a key to success no matter how long you've been around.
Why top talent chooses Dell Technologies

We are committed to offering you a fulfilling career and a fulfilling life. Just as we push the boundaries of technology to support our customers, we want to push the boundaries to support our people. We are grounded in our drive to deliver technology and expertise that not only helps people succeed, but that pushes the realm of what is possible.

Achievement
Empowering you to innovate at every turn, to make your impact on the world and your future

Balance
Providing the stability, resources and flexibility for you to do your best work

Connection
Fostering a respectful, inclusive culture committed to doing the right thing for our customers, our planet and you

Who are we looking for?

Dell is looking for individuals who possess the following:

- Master’s or Bachelor’s degree in Accounting
- Desire for a career in accounting
- Commitment to pursue their accounting certification (CPA/ACCA/ICAEW)
- Relevant internship experience, with Dell intern or graduate program experience preferred
- Demonstrated leadership initiative
- Participation in extracurricular activities

Dell is looking for individuals to gain:

- Effective communication skills
- Self-starting and driven

Program Curriculum

ADP consists of a structured curriculum provided through in-person trainings, regional forums, and case studies. Each year provides numerous opportunities for development of both technical and soft skills.

The program also provides:

- Opportunities to build skills through international conferences and assignments
- Support for professional certification
- Executive exposure and mentorship

Primary intake for ADP: through the CFO Internship Program

About the Accounting Development Program

The Accounting Development Program (ADP) is designed to develop our next generation of accounting leaders by providing experiences that drive breadth and depth of accounting knowledge through challenging rotations, enhanced accounting training and networking opportunities.

The program includes three consecutive one-year assignments through diverse accounting domains, and participants are eligible to earn the opportunity for international and regional rotations. Potential ADP roles include, among others:

- Revenue and Cost Accounting
- Vendor Funding & Inventory Accounting
- Dell Financial Services Accounting
- Corporate Reporting and Treasury
- Mergers and Acquisitions Accounting
- Statutory Accounting
- Tax Accounting
- Bank and A/R Accounting
