2. **Apply for a job.** When you find a role that interests you, click the “Apply Now” button on the description page.

3. **Submit your profile.** Create and submit a complete candidate profile. This will help you find the best fit and will allow our recruiters to track progress and make contact with you.
About the Finance Graduate Program

The Finance Graduate Program (FGP), designed for upcoming and recent graduates, begins with a 6–12-month curriculum with a focus on 3 development areas: Dell & Finance Acumen, Technical Knowledge, Soft and Leadership Skills.

The skills gained throughout the program will help the candidate improve performance and apply all of the knowledge received.

Why top talent chooses Dell Technologies

We are committed to offering you a fulfilling career and a fulfilling life. Just as we push the boundaries of technology to support our customers, we want to push the boundaries to support our people. We are grounded in our drive to deliver technology and expertise that not only helps people succeed, but that pushes the realm of what is possible.

Program Curriculum

As an FGP participant in the CFO organization, you'll participate in a 6–12-month curriculum that covers all development areas which are necessary for upcoming and recent graduates to start up their career within Finance, Accounting or Business Operations.

The curriculum contains technical and soft skills training, exposure to Dell / Finance acumen and learning through projects and case studies.

Who are we looking for?

Dell is looking for individuals who possess the following:

- Upcoming and recent graduates pursuing a career in Finance, Accounting, Business Operations or related field
- Have effective communications skills and are fluent in English (verbal & written)
- Analytical and problem-solving mindset
- Interest in expanding global experience
- Motivated, ambitious and proactive
- Inquisitive and eager to learn
- Leadership initiative
- Participation in extracurricular activities

Dell is looking for individuals to gain:

- Global exposure and networking to Finance leadership team
- Enhanced communication and presentation skills
- Understanding of Dell Technologies acumen through various curriculum activities
- Readiness for next development programs opportunities
