

Luminis Health

PGY1 Pharmacy Residency Program

WELCOME

“PGY1 pharmacy residency programs build on Doctor of Pharmacy (PharmD) education and outcomes to contribute to the development of clinical pharmacists responsible for medication-related care of patients with a wide range of conditions, eligible for board certification, and eligible for postgraduate year 2 (PGY2) pharmacy residency training.”

The PGY1 Pharmacy Residency conducted by Luminis Health – Anne Arundel Medical Center is accredited by the American Society of Health-System Pharmacists (ASHP).

The PGY1 residency program is a 12-month learning experience with two (2) positions available per year.
