Valuing Employees

Employees at this Time Warner Cable FCC unit participated in the Valuing Employees training. This class is a one half day highly interactive training for people leaders designed to communicate how employment law, the TWC Standards of Business Conduct and other TWC policies directly impact the company's overall business success. The goal of this training is to improve each leader's ability to foster teamwork and create a productive work environment in an equal employment opportunity environment.

This training is overseen by the Corporate Employee Relations department and conducted by a member of the local HR team.
