Leading a Respectful Workplace

Employees at this Charter FCC unit participated in the Leading a Respectful Workplace training. Leading a Respectful Workplace is a 3 day class room training that provides Charter's leaders with the skills and insights needed to achieve positive business results and engage employees in ways that inspire their best work. The course emphasizes leadership and legal responsibilities needed in addressing our most compelling and urgent priorities for creating and maintaining a professional, productive, and inclusive work environment. Key Learning Objectives: How leaders' behaviors directly impact business results. How leaders model organizational values and how they can best respond to issues when they come up. How leaders hold employees accountable and coach effectively for optimal performance. How inappropriate behavior can compromise even the most effective leadership practices. How leaders behave when they learn of an employee complaint. How social media impacts today's workplace, and understanding the most effective role for leaders.
