

PROFESSIONAL DEVELOPMENT

Endless Opportunities to Grow Your Career

We may be working hard to predict when and where disaster will strike, but not even you can predict where your career at FM Global will lead. Which is what makes working here so exciting! As part of a research-based company, serving clients with highly specific and diverse needs, you will be faced with endless opportunities to expand your personal skills, contribute to our mission and advance your career.

We offer endless opportunities for exploration and growth, including:

- Financial assistance for education: You can pursue coursework and degrees related to your job with financial assistance from the company.
- Training programs: Participate in extensive online and classroom-based training, attend seminars and workshops that grow skills and competencies.
- Career growth opportunities: We have a strong record of providing employees with new experiences across the organization and an equally strong record of promoting from within. Interested in learning more? Explore our Jobs.FMGlobalCareers.com.

“AFTER WORKING AS A FIELD ENGINEER, I BECAME CURIOUS ABOUT THE INSURANCE SIDE OF THE BUSINESS. MOVING TO CLAIMS WAS AN OPPORTUNITY TO LEARN AND INTERACT WITH COLLEAGUES ACROSS THE COMPANY. THIS HAS HELPED ADVANCE MY CAREER”

- - Maria del Carmen Moya Pescador, General Adjuster,
Claims, Madrid, Spain, FM Global
