

# EARLY CAREER DVM MENTORSHIP PROGRAM

## JOIN THE PACKS<sup>★</sup>

### Mentorship matters in vet med!

Are you a recent vet school grad or soon to be?

PACKS is our **P**ersonalized, **A**utonomous, **C**areer + **K**nowledge **S**upport mentorship program for early-career veterinarians at Vetco Total Care general practice hospitals.

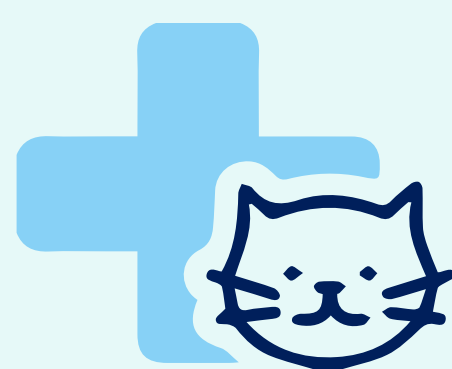

Your PACKS personalized learning journey includes:

- Hands-on training and CE to support your technical, clinical and surgical skills
- People leadership training to grow thriving teams
- Business acumen and practice management
- Communication skills training
- Career management
- Wellbeing resources

#### Hands-on clinical training

Build clinical skills & confidence as you provide preventive and life-saving care in a supportive, learning environment.

#### Trained & dedicated in-person mentors

PACKS mentor-doctors volunteer & complete 6 months of mentor training to be the best they can be!

#### The latest vet technology

Learn to use Butterfly ultrasound, digital and dental X-ray, Vetology Radiograph AI, Imagyst, Idexx lab and more.

#### A network of support

Access to a diverse network of Vetco Total Care doctors and a vet-only collaboration platform.

#### RACE-approved CE

Paid CE and annual \$3500 CE stipend.

#### Education Spending Account

Funding for eligible hands-on practical learning.

#### MentorVet Leap Subscription

Paid enrollment and access to a virtual coach, CE, skills training, wellbeing resources & peer connections.

#### Access to veterinary resources

Free subscriptions to VIN (Veterinary Information Network), Plumb's & VetGirl.
