SALT LAKE CITY, UT

United States

Salt Lake City, known for its proximity to its namesake the Great Salt Lake, is a destination for outdoor recreation and offers an abundance of things to see and do. Not only is it a great city for outdoor enthusiasts, but it's also known for its arts and culture scene.

In Salt Lake City, L3Harris pushes the boundaries of technology to create high-data rate, wideband, secure, real-time communication systems for surveillance and reconnaissance. Our secure communication systems can be found on virtually every mission-critical platform used today by the U.S. military and many allied nations. Salt Lake City is also home to L3Harris' specialized business in piezoelectric ceramics, used for applications from military sonar and acoustics, to medical imaging, cancer therapy and energy harvesting.
