Benefits Guide Overview

Fresenius Medical Care North America is committed to providing you with quality benefit programs that address your individual needs. We have prepared this enrollment guide to help you understand the terms and conditions under which your employee welfare benefits are offered. Please review each plan carefully to determine what coverage is right for you before electing coverage.

This guide is an overview of the benefits available to the employees of the Fresenius Travel Nurses Program, and is not to be confused with the corporate benefits program available to employees of Fresenius Medical Care North America.

This guide is only a summary and is not a substitute for the official plan documents. If there is a discrepancy between the official plan documents and this summary, the official plan documents will govern.

IMPORTANT NOTICE FROM FRESENIUS MEDICAL CARE NORTH AMERICA ABOUT YOUR PRESCRIPTION DRUG COVERAGE AND MEDICARE

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with FRESENIUS MEDICAL CARE NORTH AMERICA and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. FRESENIUS MEDICAL CARE NORTH AMERICA has determined that the prescription drug coverage offered by the United Healthcare plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When can you join a Medicare drug plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What happens to your current coverage if you decide to join a Medicare drug plan?

If you decide to join a Medicare drug plan, your current FRESENIUS MEDICAL CARE NORTH AMERICA coverage will not be affected. If you do decide to join a Medicare drug plan and drop your current FRESENIUS MEDICAL CARE NORTH AMERICA coverage, be aware that your dependents will not be able to get this coverage back until the next enrollment period unless you experience a qualified life event. Note that your current coverage pays for other health expenses, in addition to prescription drugs, and you will still be eligible to receive all of your current health and prescription drug benefits if you choose to enroll in a Medicare prescription drug plan and keep your coverage under FRESENIUS MEDICAL CARE NORTH AMERICA Plan.

When will you pay a higher premium (penalty) to join a Medicare drug plan?

You should also know that if you drop or lose your current coverage with FRESENIUS MEDICAL CARE NORTH AMERICA and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

Summary of options for Medicare eligible employees (and/or dependents)

Medical and prescription drug coverage are offered as a package under FRESENIUS MEDICAL CARE NORTH AMERICA plan (you cannot elect medical coverage without prescription drug coverage).

1. Continue medical and prescription drug coverage under FRESENIUS MEDICAL CARE NORTH AMERICA Plan and do not elect Medicare D coverage. **Impact** – your claims continue to be paid by FRESENIUS MEDICAL CARE NORTH AMERICA plan
2. Continue medical and prescription drug coverage under FRESENIUS MEDICAL CARE NORTH AMERICA plan and elect Medicare D coverage. **Impact** - As an active employee (or dependent of an active employee) FRESENIUS MEDICAL CARE NORTH AMERICA plan continues to pay primary on your claims (pays before Medicare D).
3. Drop FRESENIUS MEDICAL CARE NORTH AMERICA plan coverage and elect Medicare Part D coverage. **Impact** – Medicare is your primary coverage. You will not be able to rejoin FRESENIUS MEDICAL CARE NORTH AMERICA plan until the next open enrollment period unless you experience a qualified life event.

For more information about this notice or your current prescription drug coverage...

Contact Human Resources at the number listed in this notice packet for further information. NOTE: You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through FRESENIUS MEDICAL CARE NORTH AMERICA changes. You also may request a copy of this notice at any time. For more information about your options under Medicare prescription drug coverage...

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage: Visit www.medicare.gov or call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help. Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at www.socialsecurity.gov, or call them at 1-800-772-1213 (TTY 1-800-325-0778).

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

NOTICE REGARDING THE WOMEN'S HEALTH AND CANCER RIGHTS ACT

On October 21, 1998, Congress passed a bill called the Women's Health and Cancer Rights Act. This new law requires group health plans that provide coverage for mastectomy to provide coverage for certain reconstructive services.

These services include:

- Reconstruction of the breast upon which the mastectomy has been performed,
- Surgery/reconstruction of the other breast to produce a symmetrical appearance
- Prostheses, and
- Treatment of physical complications during all stages of mastectomy, including lymphedemas.

Legal Notices

In addition, the plan may not:

- Interfere with a woman's rights under the plan to avoid these requirements, or
- Offer inducements to the health provider, or assess penalties against the health provider, in an attempt to interfere with the requirements of the law.

However, the plan may apply deductibles and copays consistent with other coverage provided by the plan.

If you have any questions about the current plan coverage, please contact HR.

REPORT ELIGIBILITY CHANGES IN A TIMELY MANNER

It is your responsibility to notify the Benefits Department when a dependent becomes eligible or ceases to be eligible for coverage under our benefit plans. All eligibility changes should be reported within 30 days of the event. Failure to report changes in a timely manner can impact your ability to add newly eligible dependents or discontinue pre-tax premium contributions on ineligible dependents.

In addition, failure to report a loss of eligibility due to legal separation or divorce or a dependent that has otherwise ceased to be eligible, such as a child reaching the maximum dependent child age limit, can impact your dependent's rights for group health plan coverage under the federal law known as COBRA. If you fail to report the loss of eligibility within 60 days of the event, your dependents may be left with no continuation coverage under our plan. Please see your COBRA notice or your group health plan summary plan description for additional information.

NEWBORNS' AND MOTHERS' HEALTH PROTECTION ACT (NMHPA)

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and insurers may not, under Federal law, require that a provider obtain authorization from the plan or the insurer for prescribing a length of stay not more than 48 hours (or 96 hours).

FRESENIUS MEDICAL CARE NORTH AMERICA INITIAL NOTICE OF YOUR HIPAA SPECIAL ENROLLMENT RIGHTS

Loss of Other Coverage - If you are declining enrollment for yourself and/or your dependents (including your spouse) because of other health insurance coverage or group health plan coverage, you may be able to enroll yourself and/or your dependents in this plan if you or your dependents lose eligibility for that other coverage or if the employer stops contributing towards your or your dependent's coverage. You will be required to submit a signed statement that this other coverage is the reason for waiving enrollment originally. To be eligible for this special enrollment opportunity you must request enrollment within 30 days after your other coverage ends or after the employer stops contributing towards the other coverage.

New Dependent as a Result of Marriage, Birth, Adoption or Placement for Adoption- If you have a new dependent as a result of marriage, birth, adoption or placement for adoption, you may be able to enroll yourself and/or your dependent(s). To be eligible for this special enrollment opportunity you must request enrollment within 30 days after the marriage, birth, adoption or placement for adoption.

Medicaid Coverage - FRESENIUS MEDICAL CARE NORTH AMERICA group health plan will allow an employee or dependent who is eligible, but not enrolled for coverage, to enroll for coverage if either of the following events occur:

1. **TERMINATION OF MEDICAID OR CHIP COVERAGE** - If the employee or dependent is covered under a Medicaid plan or under a State child health plan (SCHIP) and coverage of the employee or dependent under such a plan is terminated as a result of loss of eligibility.
2. **ELIGIBILITY FOR PREMIUM ASSISTANCE UNDER MEDICAID OR CHIP**- If the employee or dependent becomes eligible for premium assistance under Medicaid or SCHIP, including under any waiver or demonstration project conducted under or in relation to such a plan. This is usually a program where the state assists employed individuals with premium payment assistance for their employer's group health plan rather than direct

enrollment in a state Medicaid program.

To be eligible for this special enrollment opportunity you must request coverage under the group health plan within 60 days after the date the employee or dependent becomes eligible for premium assistance under Medicaid or SCHIP or the date you or your dependent's Medicaid or state-sponsored CHIP coverage ends.

To request special enrollment or obtain more information, please contact the HR Department.

PREMIUM ASSISTANCE UNDER MEDICAID AND THE CHILDREN'S HEALTH INSURANCE PROGRAM (CHIP)

If you are eligible for health coverage but are unable to afford the premiums, some States have premium assistance programs that can help pay for coverage.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed here, <http://www.dol.gov/ebsa/pdf/chipmodelnotice.pdf>, you can contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, you can contact your State Medicaid or CHIP office or dial 1-877-KIDS NOW or www.insurekidsnow.gov to find out how to apply.

Once it is determined that you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must permit you to enroll in your employer plan if you are not already enrolled. This is called a "special enrollment opportunity", and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, you can contact the Department of Labor electronically at www.askebsa.dol.gov or by calling toll-free 1-866-444-EBSA (3272).

You should contact your State for further information on eligibility:

To inspect and copy your protected health information, you must submit your request in writing to the Employer Contact listed at the end of this Notice. If you request a copy of the information, we may charge a reasonable fee for the costs of copying, mailing, or other supplies associated with your request.

We may deny your request to inspect and copy in certain very limited circumstances. If you are denied access to your medical information, you may request that the denial be reviewed by submitting a written request to the Employer Contact listed at the end of this Notice.

Right to Amend. If you feel that the protected health information we have about you is incorrect or incomplete, you may ask us to amend the information. You have the right to request an amendment for as long as the information is kept by or for the Plan. To request an amendment, your request must be made in writing and submitted to the Employer Contact listed at the end of this Notice. You must provide a reason why and in what respect you believe your record is incorrect.

We may deny your request for an amendment if it is not in writing or does not include a reason to support the request. In addition, we may deny your request if you ask us to amend information that:

- is not part of the medical information kept by or for the Plan;
- was not created by us, unless the person or entity that created the information is no longer available to make the amendment;

- is not part of the information that you would be permitted to inspect and copy; or
- is already accurate and complete.

If we deny your request, you have the right to file a statement of disagreement with us and any future disclosures of the disputed information will include your statement.

Right to an Accounting of Disclosures. You have the right to request an "accounting" of certain disclosures of your protected health information. The accounting will not include (1) disclosures for purposes of treatment, payment, or health care operations; (2) disclosures made to you; (3) disclosures made pursuant to your authorization; (4) disclosures made to friends or family in your presence or because of an emergency; (5) disclosures for national security purposes; and (6) disclosures incidental to otherwise permissible disclosures.

To request this list or accounting of disclosures, you must submit your request in writing to the Employer Contact listed at the end of this Notice. Your request must state a time period of no more than six years.

Your request should indicate in what form you want the list (for example, paper or electronic). The first list you request within a 12-month period will be provided free of charge. For additional lists, we may charge you for the costs of providing the list. We will notify you of the cost involved and you may choose to withdraw or modify your request at that time before any costs are incurred.

Right to Request Restrictions. You have the right to request a restriction or limitation on your protected health information that we use or disclose for treatment, payment, or health care operations. You also have the right to request a limit on your protected health information that we disclose to someone who is involved in your care or the payment for your care, such as a family member or friend. For example, you could ask that we not use or disclose information about a surgery that you had. However, if we do agree to the request, we will honor the restriction until you revoke it or we notify you.

To request restrictions, you must make your request in writing to the Employer Contact listed at the end of this Notice. In your request, you must tell us (1) what information you want to limit; (2) whether you want to limit our use, disclosure, or both; and (3) to whom you want the limits to apply—for example, disclosures to your spouse.

Right to Request Confidential Communications. You have the right to request that we communicate with you about medical matters in a certain way or at a certain location. For example, you can ask that we only contact you at work or by mail. To request confidential communications, you must make your request in writing to the Employer Contact listed at the end of this Notice. We will not ask you the reason for your request. Your request must specify how or where you wish to be contacted. We will accommodate all reasonable requests if you clearly provide information that the disclosure of all or part of your protected information could endanger you.

Right to Be Notified of a Breach. You have the right to be notified in the event that we (or a Business Associate) discover a breach of unsecured protected health information.

Right to a Paper Copy of This Notice. You have the right to a paper copy of this notice. You may ask us to give you a copy of this notice at any time. Even if you have agreed to receive this notice electronically, you are still entitled to a paper copy of this notice. To obtain a paper copy of this notice, contact the Employer Contact listed at the end of this Notice.

Complaints

If you believe that your privacy rights have been violated, you may file a complaint with the Plan or with the Office for Civil Rights of the United States Department of Health and Human Services. To file a complaint with the Plan, contact Human Resources. All complaints must be submitted in writing. You will not be penalized, or in any other way retaliated against, for filing a complaint with the Office for Civil Rights or with us.

We may change the terms of this Notice and make new provisions regarding your protected health information that we maintain, as allowed or required by law. If we make any significant change to this Notice, we will provide you with a copy of our revised Notice of Privacy Practices by mail within 60 days after the change.
