

Summer FIT Program

WHAT IS FIT?

The Finance Innovation & Technology (“FIT”) Program is a challenging technology program for driven individuals interested in developing innovative solutions for Finance at Marsh & McLennan (“MMC”).

SUMMER FIT PROGRAM DESCRIPTION

Hands-on experience to contribute to high-impact projects during a 10-week program for one of the MMC’s Finance groups.

Potential to receive a full-time offer (contingent upon completion of Bachelors degree)

BE INFLUENTIAL

The FIT program is an opportunity for intellectually curious individuals to implement real technology solutions for the finance organization of the world’s leading global professional services firm.

EXAMPLES OF PROJECTS

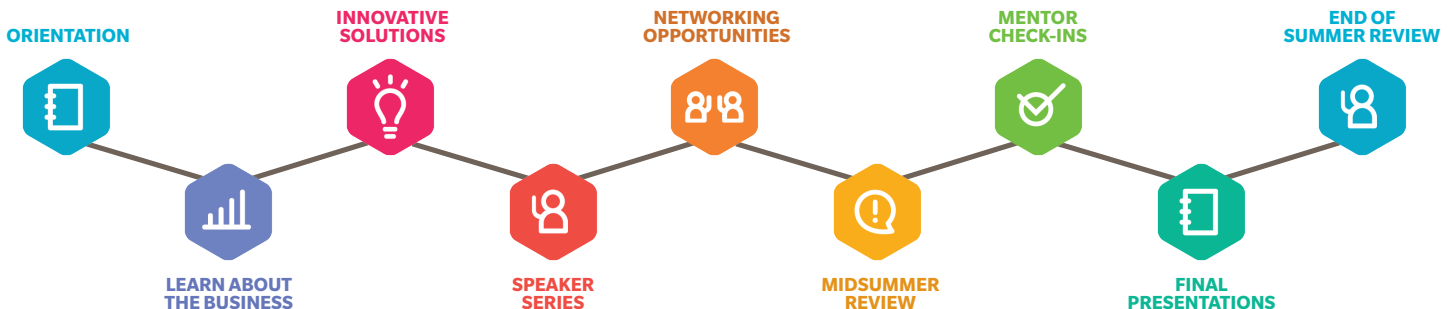

- Data analytics
- Creation of data lake
- Automating accounting policies
- Agile auditing methodology
- Automating manual processes for budgeting and forecasting
- Intangible amortization automation
- Blockchain for cash management & payment

QUALIFICATIONS

Applicants should be current undergraduate students in technology or finance programs. They must demonstrate technical aptitude and analytical skills. Primary attributes include:

- All undergraduate students considered, however, preferred candidates have an expected graduation date on or before Spring 2022
- Must have legal authorization to work in the U.S. on a permanent basis without the need for sponsorship now or in the future
- Interest and technology and finance
- Basic knowledge of programming languages (such as SQL, Python or similar) for data analysis and project development
- Excellent academic track record
- Strong communication skills
- Ability to work in New York, NY and/or Hoboken, NJ
