

## PLEASE BE AWARE

Fraudulent employment scams target job seekers via emails or websites with unauthorized job openings and may request confidential, personal information or payment.

To protect yourself, please note the following about the SC Johnson recruitment process:

- Legitimate roles open to external candidates at SC Johnson will be posted on [jobs.scjohnson.com](https://jobs.scjohnson.com). In some cases, we may contract with an approved third party to fill production or specialized roles.
- We will only collect personal information through secure applications/platforms or via an SC Johnson employee with an email address ending in @scj.com who has been trained to handle confidential information.
- We will never request payment at any point in the recruitment process.

If you believe you've encountered a fraudulent job posting for a career at SC Johnson, [please notify us](#).
