

*Family, Adult/Geriatric and Psychiatric Nurse Practitioners are encouraged to apply.*

**ABOUT THE GRADUATE NURSE PRACTITIONER RESIDENCY PROGRAM**

*Our mission is to bridge the gap from Nurse Practitioner Academia to Practice by providing additional clinical education, classroom education and mentorship.*

Hackensack Meridian Health is proud to be one of the first Primary Care Nurse Practitioner Residency/Fellowship Programs in New Jersey. In partnership with our academic partner, Monmouth University, we have created a rigorous nurse-practitioner residency program in community-based primary care practices in NJ Counties of Atlantic, Monmouth, Ocean, Middlesex and Bergen.

This program is a one-year, full time commitment designed to provide the new NP Clinician with a unique educational opportunity to focus on clinical experience in outpatient primary care, specialty medical practices, psychiatry and urgent care centers specific to the Nurse Practitioner’s Population Foci. Didactic sessions will supplement the clinical experience with Case Study Presentations, quality improvement projects, journal club, SIM skills lab and lectures to provide both personal and professional growth.
